Dishwasher with a lot of class

A CLASS

Save energy

Enjoy high quality performance with maximum energy savings thanks to its class A¹ certification, which allows you to take care of your tableware while protecting the planet.

BLUE WATER SYSTEM

Save water

Thanks to this water-reuse system¹, water consumption can be reduced by up to 5.4 litres depending on the selected programme.

Impeccable shine, responsible energy use

INVERTER PLUS DUO

High performance, low consumption

Get a superior wash with low consumption thanks to its Inverter Plus Duo¹ motor, which incorporates a BLDC pump to offer great versatility with variable pressure washes. Also, its brushless design lowers energy consumption, reduces maintenance, and extends its service life.

PROGRAMMES

Tailor-made resources

Choose the programme that best suits your needs at any given moment and the dishwasher will adapt the washing time, the amount of water and the temperature so that your tableware is perfect with a customised consumption of resources. Thus, it reduces consumption without losing efficiency.

CUTLERY

Wash everything in one go and make a saving

Saves time and energy thanks to its capacity for up to 16 place settings. Its design includes a third upper tray² for cutlery, which maximises storage space and increases its versatility, allowing you to get any item of tableware cleaned in the most convenient and effective way.

INVERTER **10** YEARS WARRANTY

The smart washing revolution

SMART VOICE CONTROL

Your words are a command

Control your dishwasher easily and conveniently using voice commands. Free your hands and enjoy a smart experience.

SMART KNOCK

Maximum comfort

Open and close the dishwasher door with a simple touch, enjoying maximum convenience and effortless technology.

SMART WASH

Smart washing

The dishwasher automatically adjusts the amount of water and washing time according to the type and amount of dirt on the dishes, for perfect results even with mixed items.

Total cleaning with a single touch

CORE MATRIX SCREEN

Full colour display

Control your dishwasher in the most convenient and intuitive way thanks to its innovative XXL¹ colour touch display. Choose the ideal programme for each moment with just one touch and give your tableware a tailor-made wash in the easiest and quickest way.

3-IN-1²

Cleans, sanitises and rinses

Enjoy sparkling clean dishes after every wash with this special programme which, combined with a 3-in-1 tablet, removes even the most stubborn grease stains, eliminates bacteria and provides a unique shine.

STEAM WASH³

Wraps your tableware in steam

This programme wraps your dishes in high-temperature steam for deep cleaning, efficiently removing even the most stubborn stains and disinfecting the entire interior, leaving your dishes looking like new.

cecotec

SYNTHETIC LEATHER⁴

Elegant design

Maximum shine, minimum effort

DUAL ZONE WASH

Dual Zone Wash

The Dual Zone Wash¹ system adapts the water pressure according to the zone and the dishes for tailored, more efficient results.

SPLASH 360

Thorough washing

Additional 360-degree rotating arm² to reach every corner. Thanks to this technology, even the most stubborn dirt is removed without the need for pre-washing.

STRONG WASH

Wipes away stains

It removes the most stubborn dirt by increasing water pressure so that the user does not have to clean by hand after each wash.

Perfect drying

TURBO DRY+¹

Dries to the last drop

This function achieves perfect drying by removing moisture from the interior with a flow of warm air. At the end of the cycle, you don't have to manually dry those residual drops on your tableware and you can put it away straight away.

AUTO-OPEN²

Welcome to natural drying

Save energy and forget about worries thanks to this function, which automatically opens the dishwasher door to remove residual moisture

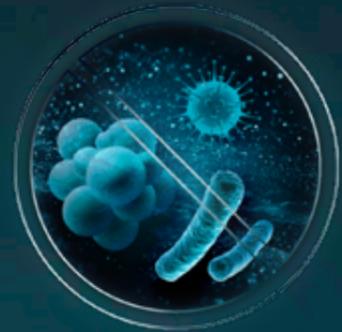

Tableware always like new

ION FLOW

More hygiene with every wash.

Ion Flow¹ technology sterilises your dishes and eliminates odours thanks to ions transported through borosilicate glass particles that gradually dissolve in the water.

UV CLEAN²

Sterilises your tableware

Enjoy total cleanliness thanks to this technology, which sterilises and disinfects dishes before the end of the programme to achieve total cleanliness.

MACHINE CARE³

Kills bacteria

This programme automatically cleans the inside of the dishwasher, protecting it from bacteria. In addition, thanks to ABT filters, it prevents unpleasant odours.

1. Available for the Aguazero 6800 models.

2. Available for the Aguazero 6900 models.

3. Not available for the following Bolero Aguazero series: 6000, 6400, 6600, 6800, 8000, 4101 Full-BI, 6100 Full-BI and 6500 Full-BI.

Adapts to you and your tableware

MEDIUM LOAD¹

Twice as many possibilities

You no longer have to wait until the dishwasher is full before you can start it. With this function, you will get the same results as with a normal programme, but with half the resources.

DELAY START

Adapts to your schedule

Choose the programme start time up to 24 hours in advance, so your dishes will be clean and ready to use right when you need them.

ADJUSTABLE RACK²

Tailor-made design

Washes all types of dishes, pots and wine glasses, regardless of their height, thanks to the height adjustment of the top rack.

Compact dishwashers

Bolero Aguazero 1150 Dark

3-place setting compact dishwasher in dark stainless steel finish, Class C, 6 programmes, viewing window and interior light. With Touch Control panel and Long Storage

FEATURES:

Offers space savings and energy efficiency, ideal for small homes or use in limited spaces. Compact 3-place setting dishwasher.

This dishwasher stands out for its ability to deliver superior cleaning performance with lower environmental impact, positioning itself as a more sustainable option. Class C.

From a quick cycle for lightly soiled dishes to an intensive programme for stubborn residues, you'll always find the perfect option. Adapt your cleaning with 6 programmes.

Monitor the cleaning cycle in real-time, facilitating process supervision and adding a modern aesthetic touch to your kitchen. Front viewing window.

Interior light that allows clear visibility of the contents and facilitates loading and unloading of utensils, improving usability and convenience. It features an interior light.

Enhanced ease of use that allows you to select programmes and adjust settings intuitively with just one touch. Touch Control Panel.

The dishwasher can keep dirty utensils for up to 80 hours, thanks to its air circulation system. Long Storage function.

You choose when your dishes are cleaned. You can programme your dishwasher's operation between 0 and 24 hours with delayed start. Programme your dish washing thanks to its Delay Start function.

Connect directly to household water supply for constant convenience, as well as the option to use an integrated 5-litre top tank, ideal for locations without easy access to fixed plumbing, such as camping environments. Versatility.

Better utensil organisation and cleaning. Features a cutlery basket.

Bolero Aguazero 2300

Compact dishwasher, white colour, with 6 place settings, 8 programmes and energy class D. With Colour Touch Panel display and Delay Start function.

FEATURES:

Save space, time and effort. Thanks to its capacity of 6 place settings, you can save space, time and effort when washing your dishes and cutlery efficiently, quickly and conveniently.

Adapts to your needs. Choose among its 8 programmes the one that best suits your needs according to your washing requirements (pots, everyday dishes, delicate glassware), and the dishwasher will automatically adjust the time and temperature.

Optimal day-to-day consumption. Its Class D energy efficiency label allows for optimal electricity consumption in each wash.

Control the wash easily and intuitively. Its Colour Touch Panel combines ease of use with an attractive design, ensuring that you can personalise and control your wash intuitively and effectively.

Machine Care. Clean your dishwasher and avoid bad smells. This programme cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Programme the washing of your dishes. You choose when your dishes are cleaned thanks to its Delay Start function, with which you can programme the operation of your dishwasher between 0 and 24 hours.

Full washing. It includes a specific programme for 3-in-1 tablets (detergent, rinse aid and grease remover) for a total wash.

Pre-Wash function: additional pre-washing before the main wash prepares the dishes to be washed with perfect results, helping to remove unpleasant odours and food residues.

Perfect and shiny finishes. The dishwasher's Dry+ function improves hygiene and prevents water spots, providing a perfect, sparkling finish for the dishware.

Germ Shield: a function that provides superior hygiene by eliminating and preventing the growth of bacteria, ensuring that your utensils and dishes are completely sanitised and safe for use.

Child Lock: avoid accidents and unforeseen events thanks to its Child Lock, the child safety lock that will give you peace of mind in your day-to-day life.

Discover the range
45 cm dishwashers

Bolero Aguazero 4201 E Dishwasher

Bolero 45 cm dishwasher, 11 place settings, 3 racks, 6 programmes with Dual Zone Wash and delayed start.

FEATURES:

11 place settings. great capacity of up to 11 place settings to be able to wash everything you need no matter the circumstances: daily washing, a celebration, etc.

6 Programmes choose the programme which best adapts to your needs according to the load: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

Class E: optimal electricity consumption in every wash.

Delay Start: programme the dishwasher between 0 and 24 h in advance, with delay start.

Touch Panel: very intuitive and easy to use touch panel.

DualZone Wash: adapts a different water pressure in each basket. Forget about separating tableware in different washing cycles and wash resistant pots, delicate glasses, very soiled containers, less soiled ones...

Electronic AquaStop: in the event of a problem, the water is redirected back into the compartment, thus preventing any water leakage.

Cutlery tray. Top rack designed for cutlery, this way you will get cleaner cutlery and save space in the other lower racks

 6 Programmes choose the programme which best adapts to your needs according to the load: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.
 Class E: optimal electricity consumption in every wash.
 Delay Start: programme the dishwasher between 0 and 24 h in advance, with delay start.
 Touch Panel: very intuitive and easy to use touch panel.
 DualZone Wash: adapts a different water pressure in each basket. Forget about separating tableware in different washing cycles and wash resistant pots, delicate glasses, very soiled containers, less soiled ones...
 Electronic AquaStop: in the event of a problem, the water is redirected back into the compartment, thus preventing any water leakage.
 Cutlery tray. Top rack designed for cutlery, this way you will get cleaner cutlery and save space in the other lower racks.

Bolero Aguazero 6205

60 cm white dishwasher, 13 place settings, Class D, Inverter Plus Duo, Touch Panel, 6 programmes, Extra Hygiene, Super Dry, Save+, Half Load, Silent Wash, AutoClean, Extra Rapid, Delay Start, ABT filter and ChildLock.

FEATURES:

Space for 13 place settings: forget about hand washing and enjoy a perfect solution for both daily use and large gatherings.

Enjoy greater energy savings with a Class D dishwasher: efficiency and performance with optimised consumption in every washing cycle.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

Touch Panel: highly intuitive touch panel, easy to use and with hidden controls for a more elegant and clean design.

6 programmes. choose the programme which best adapts to your needs according to the load: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

Extra Hygiene: achieve superior disinfection thanks to a special cycle that increases temperature and extends the rinse time, eliminating bacteria and germs for safer, better-cared-for dishes.

With the Super Dry function, the dishwasher adds a special drying cycle after the main wash, combining hot and cold air to remove moisture more effectively. This way, your plates, glasses and cutlery come out completely dry and ready to store, with no need for hand drying. Enjoy total convenience and impeccable results after each wash.

Activate the Save+ function to reduce time and energy consumption per cycle without compromising cleaning effectiveness. This option shortens both washing and drying, helping you save resources and time in your daily routine. Perfect for those seeking clean dishes while maximising energy efficiency.

The Half Load function allows you to wash fewer utensils with the same efficiency as a full cycle, but using fewer resources. This means saving water and energy, allowing you to keep your dishes clean without waiting to fill the dishwasher.

Silent Wash: enjoy ultra-quiet washing thanks to a special noise-reducing programme, ideal for night-time use without disturbance.

AutoClean: programme that cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Extra Rapid function: save time on each wash, reducing cycle duration without compromising effective cleaning and perfect drying. Ideal for those seeking impeccable results in less time.

Delay Start: programme the dishwasher between 0 and 24 h in advance, with delay start.

ABT (Antibacterial) filter. thanks to this filter, you can keep your dishwasher clean without bacteria or germs.

ChildLock: Child safety lock. Locks all the buttons on the dishwasher except the stop button to prevent children from stopping the device.

60 cm stainless steel dishwasher, 13 place settings, Class D, Inverter Plus Duo, Touch Panel, 6 programmes, Extra Hygiene, Super Dry, Save+, Half Load, Silent Wash, AutoClean, Extra Rapid, Delay Start, ABT filter and ChildLock.

FEATURES:

Space for 13 place settings: forget about hand washing and enjoy a perfect solution for both daily use and large gatherings.

Enjoy greater energy savings with a Class D dishwasher: efficiency and performance with optimised consumption in every washing cycle.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

Touch Panel: highly intuitive touch panel, easy to use and with hidden controls for a more elegant and clean design.

6 programmes. choose the programme which best adapts to your needs according to the load: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

Extra Hygiene: achieve superior disinfection thanks to a special cycle that increases temperature and extends the rinse time, eliminating bacteria and germs for safer, better-cared-for dishes.

With the Super Dry function, the dishwasher adds a special drying cycle after the main wash, combining hot and cold air to remove moisture more effectively. This way, your plates, glasses and cutlery come out completely dry and ready to store, with no need for hand drying. Enjoy total convenience and impeccable results after each wash.

Activate the Save+ function to reduce time and energy consumption per cycle without compromising cleaning effectiveness. This option shortens both washing and drying, helping you save resources and time in your daily routine. Perfect for those seeking clean dishes while maximising energy efficiency.

The Half Load function allows you to wash fewer utensils with the same efficiency as a full cycle, but using fewer resources. This means saving water and energy, allowing you to keep your dishes clean without waiting to fill the dishwasher.

Silent Wash: enjoy ultra-quiet washing thanks to a special noise-reducing programme, ideal for night-time use without disturbance.

AutoClean: programme that cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Extra Rapid function: save time on each wash, reducing cycle duration without compromising effective cleaning and perfect drying. Ideal for those seeking impeccable results in less time.

Delay Start: programme the dishwasher between 0 and 24 h in advance, with delay start.

ABT (Antibacterial) filter. thanks to this filter, you can keep your dishwasher clean without bacteria or germs.

ChildLock: Child safety lock. Locks all the buttons on the dishwasher except the stop button to prevent children from stopping the device.

COMPOSITION:

Dishwasher, lower rack, upper rack, cutlery basket, drain hose, instruction manual

Bolero Aguazero 6210 D

Bolero 60 cm dishwasher, white colour design, 15 place settings, Class D, XXL FullColor display, 3rd tray, 8 programmes, Dual Zone Wash, Dry+, adjustable tray, Machine Care, Half Load, Delay Start and Child Lock.

FEATURES:

Large capacity of up to 15 place settings so you can wash everything you need no matter the situation: every day, a celebration, etc. 1 place setting includes a large plate, small plate, soup bowl, glass, knife, fork and spoon.

Class D: optimal energy consumption in each wash.

XXL FullColour display: easily and intuitively control the washing machine with its innovative XXL FullColour display design.

Cutlery rack: top rack designed for cutlery, this way you will get cleaner cutlery and save space in the bottom racks.

8 programmes: choose the programme that best suits your needs depending on what you have to wash: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

DualZone Wash: adapts a different water pressure in each basket. Don't worry about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses, heavily soiled containers, less soiled containers, etc., all at the same time.

Dry+: extends the drying process by 10 to 15 minutes to improve its performance.

Adjustable tray: washes all types of dishes, casseroles or glasses, regardless of their height, thanks to the height adjustment of the top tray.

AutoClean: programme that cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Half load function: depending on the day or the amount of cutlery available, the load function can be programmed, which means that cutlery can be washed with the same results as a normal programme, but with the benefit of using half the resources.

Delay Start: programme the time of day you want your dishwasher to start washing at and you don't have to worry about having to start it.

ChildLock: protect the little ones by limiting their access to your dishwasher.

Bolero 60 cm dishwasher with 15 place settings, white design, Class D, 8 programmes, FullColor XXL display, Smart Wash, UV light, Turbo Dry+, AutoClean, Half Load, Delay Start, ChildLock and third tray.

FEATURES:

15 place settings: This dishwasher features a 15-place setting capacity, saving time and effort by washing more dishes at once.

Class D: Save on your electricity bill with Class D energy efficiency, which combines optimal performance with responsible consumption.

With 8 different programmes to adapt the wash your particular needs, from fast to intensive cycles, ensuring perfect cleaning performance with every use.

XXL FullColor display: Experience more intuitive interaction with the XXL FullColor display, which provides clear and detailed visualisation of settings and programmes, making the dishwasher easier to use.

Smart Wash technology detects the soiling level through sensors and adjusts the necessary resources, optimising water and energy consumption for efficient and eco-friendly washing.

UV light: Keep your dishes not only clean, but also hygienic, thanks to the UV light that kills bacteria and germs, providing thorough cleaning performance.

Long Storage: Perfect for storing clean dishes for up to 168 hours, maintaining hygiene even if you can't empty the dishwasher right away.

Turbo Dry+: Enjoy dry, ready-to-use dishes in an instant with the Turbo Dry+ function, which speeds up the drying process without leaving any water residue.

Simplify dishwasher maintenance with the AutoClean function, which cleans the inside of the appliance, extending its service life and efficiency.

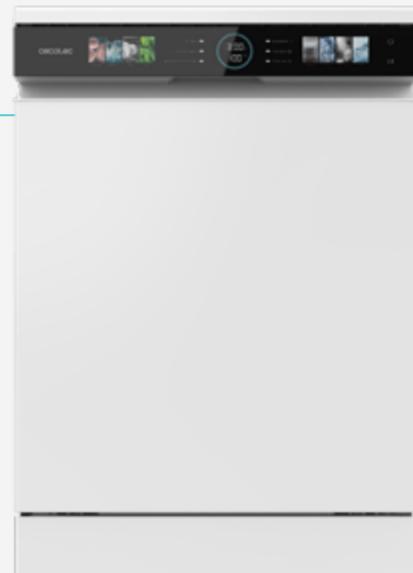

Half Load: Perfect for small loads, the Half Load mode allows you to wash efficiently without waiting to fill the dishwasher, saving water and energy.

Dual Zone Wash: Forget about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses and containers with different levels of soiling at the same time by adapting a different water pressure for each tray.

Programme the start of the washing cycle at your convenience with the Delay Start function, so that the dishwasher operates when it suits you best, even overnight.

Ensure safety at home with the Child Lock function, which prevents children from tampering with the dishwasher's operation.

Upper cutlery tray: Optimise the dishwasher's interior space with the dedicated upper cutlery tray, which facilitates its organisation and efficient cleaning.

Bolero Aguazero 6700 B

Bolero 60 cm dishwasher, white colour, 15 place settings, class B, Inverter Plus Motor, XXL FullColor display, 8 programmes, O2 Dry, Turbo Dry+, Dual Zone Wash, Long Storage, adjustable tray, Machine Care, half load and cutlery tray.

FEATURES:

Large capacity of up to 15 place settings so you can wash everything you need no matter the situation: every day, a celebration, etc. 1 place setting includes a large plate, small plate, soup bowl, glass, knife, fork and spoon.

Class B: a very efficient energy class that will make your electricity bill lighter with every wash.

XXL FullColour display: easily and intuitively control the washing machine with its innovative XXL FullColour display design.

Inverter Plus Motor: high quality performance and maximum durability. Energy saving, with minimum vibrations and noise. Thanks to the Inverter motor, the dishwasher will make less noise during operation. It also favours energy saving.

Cutlery rack: top rack designed for cutlery, this way you will get cleaner cutlery and save space in the bottom racks.

8 programmes: choose the programme that best suits your needs depending on what you have to wash: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

O2 Dry: function that allows the door to open at the end of the complete wash, obtaining a perfect and natural drying of the tableware.

Turbo Dry+: thanks to this function, all the hot flow disappears and all moisture is removed before it cools down. Avoiding new drips on clean dishes.

DualZone Wash: adapts a different water pressure in each basket. Don't worry about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses, heavily soiled containers, less soiled containers, etc., all at the same time.

Adjustable tray: washes all types of dishes, casseroles or glasses, regardless of their height, thanks to the height adjustment of the top tray.

O2 Dry: function that allows the door to open at the end of the complete wash, obtaining a perfect and natural drying of the tableware.

Turbo Dry+: thanks to this function, all the hot flow disappears and all moisture is removed before it cools down. Avoiding new drips on clean dishes.

DualZone Wash: adapts a different water pressure in each basket. Don't worry about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses, heavily soiled containers, less soiled containers, etc., all at the same time.

Adjustable tray: washes all types of dishes, casseroles or glasses, regardless of their height, thanks to the height adjustment of the top tray.

Machine Care: programme that cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Half load function: depending on the day or the amount of cutlery available, the load function can be programmed, which means that cutlery can be washed with the same results as a normal programme, but with the benefit of using half the resources.

COMPOSITION:

Dishwasher, lower basket, upper basket, cutlery tray, salt funnel, drain hose, instruction manual.

Bolero Aguazero 6700 Dark B

Bolero 60 cm dishwasher, dark colour, 15 place settings, class B, Inverter Plus Motor, XXL FullColor display, 8 programmes, O2 Dry, Turbo Dry+, Dual Zone Wash, Long Storage, adjustable tray, Machine Care, half load and cutlery tray.

FEATURES:

Large capacity of up to 15 place settings so you can wash everything you need no matter the situation: every day, a celebration, etc. 1 place setting includes a large plate, small plate, soup bowl, glass, knife, fork and spoon.

Class B: a very efficient energy class that will make your electricity bill lighter with every wash.

XXL FullColour display: easily and intuitively control the washing machine with its innovative XXL FullColour display design.

Inverter Plus Motor: high quality performance and maximum durability. Energy saving, with minimum vibrations and noise. Thanks to the Inverter motor, the dishwasher will make less noise during operation. It also favours energy saving.

Cutlery rack: top rack designed for cutlery, this way you will get cleaner cutlery and save space in the bottom racks.

8 programmes: choose the programme that best suits your needs depending on what you have to wash: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

O2 Dry: function that allows the door to open at the end of the complete wash, obtaining a perfect and natural drying of the tableware.

Turbo Dry+: thanks to this function, all the hot flow disappears and all moisture is removed before it cools down. Avoiding new drips on clean dishes.

DualZone Wash: adapts a different water pressure in each basket. Don't worry about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses, heavily soiled containers, less soiled containers, etc., all at the same time.

Adjustable tray: washes all types of dishes, casseroles or glasses, regardless of their height, thanks to the height adjustment of the top tray.

Machine Care: programme that cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Half load function: depending on the day or the amount of cutlery available, the load function can be programmed, which means that cutlery can be washed with the same results as a normal programme, but with the benefit of using half the resources.

Delay Start: programme the time of day you want your dishwasher to start washing at and you don't have to worry about having to start it.

ChildLock: protect the little ones by limiting their access to your dishwasher.

COMPOSITION: Dishwasher, lower basket, upper basket, cutlery tray, salt funnel, drain hose, instruction manual.

Bolero Aguazero 6750 Matt White Glass

60 cm matte white glass dishwasher, 16 place settings, Class B, Inverter Plus Duo motor, 10 programmes, Smart Voice Control, Smart Knock Dual Control, Wi-Fi, Smart Wash, Steam Wash, Extra Hygiene, AutoClean, interior light and exterior ambient light, O2Dry, Dual Turbo Dry+, Super Dry drying functions, Splash 360 spray arm technology, Save+, Half Load, Silent Wash, Delay Start, Extra Rapid and cutlery tray.

FEATURES:

Class B: excellent energy efficiency and high performance in every washing cycle.

Large 16 place settings capacity: wash all your dishes in one go, even on the most demanding occasions, with 10 programmes to adapt to any need.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

Elegant design with matte white glass door and hidden display: a minimalist and sophisticated aesthetic that brings exclusivity and modernity to your kitchen.

Smart Voice Control: control your dishwasher easily and conveniently through voice commands for a completely smart, hands-free experience.

With Smart Knock Dual Control function, open and close the dishwasher door with a simple tap, enjoying maximum convenience and effortless technology.

Built-in Wi-Fi: control and programme your dishwasher from anywhere with your mobile phone for convenient, smart and fully connected management.

Smart Wash: the dishwasher automatically adjusts the water quantity and washing time according to the dish type and soil level, ensuring perfect results even with mixed loads.

Enjoy superior cleaning and sterilisation: the Steam Wash programme removes stubborn dirt with steam, the Extra Hygiene function increases temperature for deeper disinfection during washing, and the Autoclean mode keeps the dishwasher interior spotless without dishes.

Experience maximum comfort and style: the interior light allows you to see every detail when loading and unloading, while the blue ambient exterior lighting enhances your kitchen design, creating a sophisticated and modern atmosphere.

Bolero Aguazero 6800 Inox A

60 cm dishwasher, stainless steel finish, designed for 14 place settings, with class A efficiency and the advanced Inverter Plus Duo motor. Enjoy 8 versatile programmes, including Smart ProWash and SteamMax, along with the innovative BlueWater System. Optimise each cycle with Eco FlexWash and Comfort Wash, while the antibacterial filter and AutoClean programme maintain hygiene. Take advantage of the Dual Zone Wash technology, Half Load function and the convenience of Delay Start for a superior washing experience.

FEATURES:

With a capacity for 14 place settings, Cecotec Bolero Aguazero 6800 Inox A is perfect for large families or those who enjoy having guests over. This large capacity allows you to wash more cookware in each cycle, saving time and energy.
Energy class A: This dishwasher has a Class A energy efficiency rating, which guarantees excellent performance while reducing energy consumption. This means less environmental impact and significant savings on electricity bills.
Inverter Plus Duo: this dishwasher has an inverter motor but also incorporates BLDC (Brushless DC) pump technology, which offers superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.
It offers 8 different programmes, adapting to all your cleaning needs. From intensive to fast cycles, you'll always find the perfect programme for every load, ensuring sparkling clean dishes with every wash.
The O2 Dry function allows the door to open automatically at the end of the washing cycle, allowing cookware to dry naturally. This not only improves drying efficiency, but also reduces energy consumption, providing brilliant results in a more environmentally friendly way.
The innovative BlueWater System reuses the water from the last rinse cycle, filtering it and saving it for the next use. This system reduces water consumption by up to 5.4 litres per cycle, depending on the programme, making this dishwasher a more sustainable and environmentally friendly option.
The antibacterial filter (ABT) keeps the dishwasher clean and free of bacteria or germs. This advanced filter prevents bacteria build-up, keeping the inside of the dishwasher fresh and odour-free, ensuring superior hygiene after every use.
With the AutoClean programme, the inside of the dishwasher is automatically cleaned, protecting it from bacteria and unpleasant odours. This programme not only facilitates maintenance, but also extends the lifespan of the appliance, ensuring its optimal performance over time.
Dual Zone Wash technology offers higher pressure in the lower basket and lower pressure in the upper basket, using a BLDC pump to adjust water pressure and minimise noise levels.

COMPOSITION: 60 cm dishwasher, instruction manual.

Bolero Aguazero 6800 Dark A

60 cm dishwasher, dark finish, designed for 14 place settings, with class A efficiency and the advanced Inverter Plus Duo motor. Enjoy 8 versatile programmes, including Smart ProWash and SteamMax, along with the innovative BlueWater System. Optimise each cycle with Eco FlexWash and Comfort Wash, while the antibacterial filter and AutoClean programme maintain hygiene. Take advantage of the Dual Zone Wash technology and the convenience of Delay Start for a superior washing experience. With basket and cutlery tray, flexibility is guaranteed.

FEATURES:

With a capacity for 14 place settings, Cecotec Bolero Aguazero 6800 Dark A is perfect for large families or those who enjoy having guests over. This large capacity allows you to wash more cookware in each cycle, saving time and energy.

Energy class A: This dishwasher has a Class A energy efficiency rating, which guarantees excellent performance while reducing energy consumption. This means less environmental impact and significant savings on electricity bills.

Inverter Plus Duo: this dishwasher has an inverter motor but also incorporates BLDC (Brushless DC) pump technology, which offers superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

It offers 8 different programmes, adapting to all your cleaning needs. From intensive to fast cycles, you'll always find the perfect programme for every load, ensuring sparkling clean dishes with every wash.

Bolero Aguazero 6900

White dishwasher, 15-place setting capacity, Class A, leather-effect finish, XXL FullColor display, Inverter Plus motor, 8 programmes, UV Clean function, Auto Open and Turbo Dry+ drying systems, Dual Zone Wash, adjustable rack, Half Load, Machine Care, Delay Start, cutlery tray and ChildLock.

FEATURES:

Large capacity of up to 15 place settings so you can wash everything you need no matter the situation: every day, a celebration, etc. 1 place setting includes a large plate, small plate, soup bowl, glass, knife, fork and spoon.

Maximum energy efficiency: Discover the power of savings with our Energy Class A dishwasher, leading in efficiency and sustainability.

Its faux leather finishes add a luxurious touch that elevates your home's design, while chrome details add a sophisticated and modern touch, creating a perfect balance.

XXL FullColor display: easy and intuitive control with its innovative XXL FullTouch colour display design.

Inverter Plus Motor: high quality performance and maximum durability. Energy saving, with minimum vibrations and noise. Thanks to the Inverter motor, the dishwasher will make less noise during operation. It also favours energy saving.

8 programmes: choose the programme that best suits your needs depending on what you have to wash: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment.

UV Clean: Sterilises and disinfects the dishwasher interior and dishes before the programme ends.

Features dual drying systems for enhanced results. With the O2 Dry function, the dishwasher door opens automatically after washing for perfect natural drying, while Turbo Dry+ uses hot airflow to eliminate moisture and prevent water spots on clean dishes.

Dual Zone Wash: adapts a different water pressure in each basket. Don't worry about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses, heavily soiled containers, less soiled containers, etc., all at the same time.

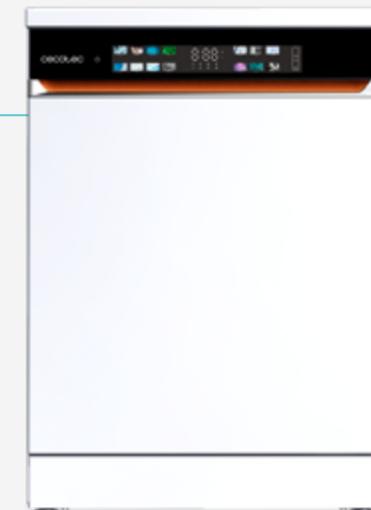

Adjustable rack: wash all types of plates, pots or glasses, regardless of height, thanks to the adjustable upper rack.

Half Load: With the half load option you can adjust the washing according to daily cutlery quantity or needs. This function achieves the same results as a normal programme while using only half the resources.

Bolero Aguazero 4101 Full-BI E Dishwasher

Bolero 45 cm built-in dishwasher, 3 racks, 11 place settings, 6 programmes with Dual Zone Wash, Auto Wash and delayed start.

FEATURES:

11 place settings. great capacity of up to 11 place settings to be able to wash everything you need no matter the circumstances: daily washing, a celebration, etc.

6 Programmes choose the programme which best adapts to your needs according to the load: pots, daily-use dishware, delicate glass utensils, etc., with time and temperature adjustment. Class E: optimal electricity consumption in every wash.

Delay Start: programme the dishwasher between 0 and 24 h in advance, with delay start.

DualZone Wash: adapts a different water pressure in each basket. Forget about separating tableware in different washing cycles and wash resistant pots, delicate glasses, very soiled containers, less soiled ones...

Auto Wash: self-washing.

Electronic AquaStop: in the event of a problem, the water is redirected back into the compartment, thus preventing any water leakage.

Cutlery tray. Top rack designed for cutlery, this way you will get cleaner cutlery and save space in the other lower racks.

COMPOSITION:

Dishwasher, drain hose, instruction manual

Bolero Aguazero 4250 Full-BI

45 cm built-in dishwasher, 9 place settings, Class D, Inverter Plus Duo motor, 6 programmes, Delay Start, SideView Light and cutlery basket.

FEATURES:

Compact and efficient: 9 place settings dishwasher, ideal for small spaces, with high cleaning capacity and low water and energy consumption.

Enjoy greater energy savings with a Class D dishwasher: efficiency and performance with optimised consumption in every washing cycle.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

6 programmes: choose the programme that best suits your needs depending on what you need to wash: pots, daily-use dishes, delicate glassware... adjusting in time and temperature.

Delay Start: Programme your dishwasher with delayed start to suit your schedule and take advantage of the best time slots.

SideView Light: the side light remains on during the cycle and turns off when the programme ends, clearly indicating when your dishes are ready.

Included cutlery basket for efficient organisation and optimal cleaning of all utensils.

COMPOSITION: Dishwasher, bottom tray, top tray, cutlery rack, drain hose, instruction manual

8447562002042 (Box)

A01_EU01_119741

Bolero Aguazero 4270 Full-BI

45 cm built-in dishwasher, 11 place settings, Class D, Inverter Plus Duo motor, 6 programmes, Touch Panel, FloorView Light, Super Dry, Half Load, Save+, AutoClean, Delay Start and upper cutlery tray.

FEATURES:

Large capacity for up to 11 place settings so you can wash everything you need regardless of the situation: daily use, celebrations, etc.

Enjoy greater energy savings with a Class D dishwasher: efficiency and performance with optimised consumption in every washing cycle.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

6 programmes: choose the programme that best suits your needs depending on what you need to wash: pots, daily-use dishes, delicate glassware... adjusting in time and temperature.

Touch Panel: highly intuitive and user-friendly touch control panel.

FloorView Light: check your dishwasher status at a glance thanks to its floor-projected light that changes colour according to programme status.

With the Super Dry function, the dishwasher adds a special drying cycle after the main wash, combining hot and cold air to remove moisture more effectively. This way, your plates, glasses and cutlery come out completely dry and ready to store, with no need for hand drying. Enjoy total convenience and impeccable results after each wash.

The Half Load function allows you to wash fewer utensils with the same efficiency as a full cycle, but using fewer resources. This means saving water and energy, allowing you to keep your dishes clean without waiting to fill the dishwasher.

Activate the Save+ function to reduce time and energy consumption per cycle without compromising cleaning effectiveness. This option shortens both washing and drying, helping you save resources and time in your daily routine. Perfect for those seeking clean dishes while maximising energy efficiency.

AutoClean: programme that cleans the inside of your dishwasher and protects it from bacteria and bad smells, as well as preserving it for longer.

Delay Start: programme the dishwasher between 0 and 24 h in advance, with delay start.

Cutlery tray. Dedicated upper tray for cutlery, ensuring cleaner utensils while saving space in the lower racks.

COMPOSITION: Dishwasher, lower tray, upper tray, cutlery rack, drain hose, instruction manual.

Bolero Aguazero 4570 Full-BI Connected

45 cm built-in dishwasher, 11 place settings, Class C, Inverter Plus Duo motor, 7 programmes, SlidePrecision Pro 90, Touch Panel, Wi-Fi connectivity, Smart Wash, O2Dry and Super Dry auto-open drying, FloorView Light, Save+, Half Load, AutoClean, Dual Zone Wash, Delay Start, adjustable upper rack and cutlery tray.

FEATURES:

Large 11 place settings capacity: wash all your dishes in one go, even for daily use, with 7 programmes to suit any need.

Enjoy greater energy savings with a Class D dishwasher: efficiency and performance with even more optimised consumption in every washing cycle.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

SlidePrecision Pro 90: integrate your dishwasher elegantly and simply thanks to its 90 mm sliding system, ensuring perfect door adjustment and hassle-free installation, adapting to any modern kitchen.

Touch Panel: highly intuitive and user-friendly touch control panel.

Wi-Fi connectivity: control and programme your dishwasher conveniently from your mobile, wherever you are.

Smart Wash: the dishwasher automatically adjusts the water quantity and washing time according to the dish type and soil level, ensuring perfect results even with mixed loads.

Superior and natural drying: O2Dry (auto open) technology automatically opens the door at the end of the programme, providing more natural and efficient drying. Complete the drying experience with Super Dry function, which adds a special hot and cold air cycle to eliminate every last drop of moisture, leaving your dishes ready to store effortlessly.

FloorView Light: check your dishwasher status at a glance thanks to its floor-projected light that changes colour according to programme status.

Total time and resource savings: activate the Save+ function to reduce time and energy consumption per cycle without compromising effective cleaning. And for smaller loads, the Half Load function allows washing with the same efficiency using less water and energy.

COMPOSITION: Dishwasher, lower tray, upper tray, cutlery rack, drain hose, instruction manual.

Bolero Aguazero 6280 Full-BI

60 cm dishwasher, 16 place settings, Class D, Inverter Plus Duo motor, 6 programmes, Touch Panel, FloorView Light, Extra Hygiene, Super Dry, Save+, Silent Wash, Half Load, AutoClean, Extra Rapid, Delay Start, adjustable upper rack with special cutlery tray.

FEATURES:

Large 16 place settings capacity: wash all your dishes in one go, even after large gatherings, thanks to its extra space and multiple programmes that adapt to any need.

Enjoy greater energy savings with a Class D dishwasher: efficiency and performance with optimised consumption in every washing cycle.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

6 programmes: choose the programme that best suits your needs depending on what you need to wash: pots, daily-use dishes, delicate glassware... adjusting in time and temperature.

Touch Panel: highly intuitive and user-friendly touch control panel.

FloorView Light: check your dishwasher status at a glance thanks to its floor-projected light that changes colour according to programme status.

With the Extra Hygiene function, you can increase the dishwasher temperature for deeper disinfection during washing.

The Super Dry function adds a special hot and cold air cycle to eliminate every last drop of moisture, leaving your dishes ready to store effortlessly.

Total time and resource savings: activate the Save+ function to reduce time and energy consumption per cycle without compromising effective cleaning.

Silent Wash: enjoy ultra-quiet washing thanks to a special noise-reducing programme, ideal for night-time use without disturbance.

And for smaller loads, the Half Load function allows washing with the same efficiency using less water and energy.

AutoClean: keeps the dishwasher interior always clean and odour-free with an automatic self-cleaning programme.

Extra Rapid: achieve impeccable results in less time with the ultra-fast washing.

Delay Start: Programme your dishwasher with delayed start to suit your schedule and take advantage of the best time slots.

COMPOSITION: Dishwasher, lower tray, upper tray, cutlery rack, drain hose, instruction manual.

A01_EU01_112756

Bolero Aguazero 8700 Full-BI

60 cm built-in dishwasher, 16 place settings, Class B, Inverter Plus Duo motor, 10 programmes, Touch Panel, SlidePrecision Pro 90, Wi-Fi, Smart Voice Control, Smart Knock Dual Control, Smart Wash, Steam Wash, Extra Hygiene, AutoClean, Turbo Dry+, Super Dry, FloorView Light, Splash 360, Dual Zone Wash, Save+, Half Load, Silent Wash, Delay Start, Extra Rapid and adjustable upper rack with special cutlery tray.

FEATURES:

Class B: excellent energy efficiency and high performance in every washing cycle.

Large 16 place settings capacity: wash all your dishes in one go, even on the most demanding occasions, thanks to its 10 programmes that you can select easily with its intuitive Touch Panel.

Inverter Plus Duo: The dishwasher features an Inverter motor and incorporates the BLDC (Brushless DC) pump technology, offering superior performance. The variable pump pressure adds new and versatile ways to wash dishes, while the brushless pump is designed for increased durability, ensuring optimal cleaning with lower energy consumption and longer lifespan.

SlidePrecision Pro 90: integrate your dishwasher elegantly and simply thanks to its 90 mm sliding system, ensuring perfect door adjustment and hassle-free installation, adapting to any modern kitchen.

Smart Voice Control: control your dishwasher easily and conveniently through voice commands for a completely smart, hands-free experience.

With Smart Knock Dual Control function, open and close the dishwasher door with a simple tap, enjoying maximum convenience and effortless technology.

Built-in Wi-Fi: control and programme your dishwasher from anywhere with your mobile phone for convenient, smart and fully connected management.

Smart Wash: the dishwasher automatically adjusts the water quantity and washing time according to the dish type and soil level, ensuring perfect results even with mixed loads.

Enjoy superior cleaning and sterilisation: the Steam Wash programme removes stubborn dirt with steam, the Extra Hygiene function increases temperature for deeper disinfection during washing, and the Autoclean mode keeps the dishwasher interior spotless without dishes.

Turbo Dry+: thanks to its powerful hot airflow, it eliminates all moisture before dishes cool down, preventing water spots on clean dishes. Additionally, the Super Dry function completes the process with a special hot and cold air cycle, ensuring every last drop disappears, leaving dishes ready to store effortlessly.

FloorView Light: check your dishwasher status at a glance thanks to its floor-projected light that changes colour according to programme status.

COMPOSITION: Dishwasher, lower tray, upper tray, cutlery rack, drain hose, instruction manual

Bolero Aguazero 6620 S-BI

Bolero 60 cm semi built-in dishwasher with 15 place settings, Class C, 8 programmes, Inverter motor, FullColor XXL display, Smart Wash, UV light, Turbo Dry+, AutoClean, Half Load, Dual Zone Wash, Delay Start, ChildLock and third tray.

FEATURES:

Combine style and functionality with this semi built-in dishwasher, which allows the full-colour display to remain visible, offering easy and elegant access to the control panel.

With a 15-place setting capacity, this dishwasher allows you to wash more dishes at once, saving time and effort. In addition, it features 8 different programmes to suit your particular needs, from fast to intensive cycles, ensuring perfect cleaning performance with every use.

Reduce your electricity bill with Class C energy efficiency, which delivers outstanding performance while optimising energy consumption.

Enjoy quieter and more efficient operation with the Inverter motor, which optimises the dishwasher's performance, extends its service life and reduces energy consumption.

XXL FullColor display: Experience more intuitive interaction with the XXL FullColor display, which provides clear and detailed visualisation of settings and programmes, making the dishwasher easier to use.

Smart Wash technology detects the soiling level through sensors and adjusts the necessary resources, optimising water and energy consumption for efficient and eco-friendly washing.

UV light: Keep your dishes not only clean, but also hygienic, thanks to the UV light that kills bacteria and germs, providing thorough cleaning performance.

Long Storage: Perfect for storing clean dishes for up to 168 hours, maintaining hygiene even if you can't empty the dishwasher right away.

Turbo Dry+: Enjoy dry, ready-to-use dishes in an instant with the Turbo Dry+ function, which speeds up the drying process without leaving any water residue.

Simplify dishwasher maintenance with the AutoClean function, which cleans the inside of the appliance, extending its service life and efficiency.

Half Load: Perfect for small loads, the Half Load mode allows you to wash efficiently without waiting to fill the dishwasher, saving water and energy.

Dual Zone Wash: Forget about separating the dishes into different wash cycles and wash sturdy pots, delicate glasses and containers with different levels of soiling at the same time by adapting a different water pressure for each tray.

Programme the start of the washing cycle at your convenience with the Delay Start function, so that the dishwasher operates when it suits you best, even overnight.

Ensure safety at home with the Child Lock function, which prevents children from tampering with the dishwasher's operation.

Upper cutlery tray: Optimise the dishwasher's interior space with the dedicated upper cutlery tray, which facilitates its organisation and efficient cleaning.
