More than just ovens

Todos nuestros hornos comparten atributos que persiguen un único objetivo: llevar las mejores recetas a las mesas de todas las familias. Su capacidad familiar lo hace posible, su potencia dejará tus platos con el punto perfecto y su clasificación energética hará que cocines de forma eficiente. Ah, y con sus funciones Steam Assist y Steam Easy Clean, te enamorarás de la cocina y de la limpieza al vapor.

CAPACITY

Cook for the whole family

Don't worry about space, Hexa ovens feature a capacity ranging from 53 L to 133 L across 5 levels, XXL trays and telescopic guides. Discover the one that fits your kitchen and prepare great recipes or several at once in the most efficient way.

POWER

Bake without limits

Enjoy endless possibilities thanks to its power of up to 3800 W, as your recipes will always reach the desired doneness.

ENERGY CLASS¹

Maximum efficiency, minimum consumption

Save energy on every use: reduce energy consumption without compromising efficiency when cooking your recipes thanks to its class A+ energy label¹.

Icon Collection

The master touch for your recipes

Discover a new way of cooking with the Bolero Hexa Icon series, our innovative ovens designed to offer a comfortable and intuitive culinary experience. Control the oven by voice or with a simple touch on its TFT Knob with icon display.

Elevate your dishes and give your kitchen a distinctive touch with an oven that makes the difference.

45 - 60 - 90 cm

White / Black / Inox / Stainless Steel / Matt

KNOB TFT

Simplify your culinary experience

AUTO OPEN

Handle-free: more elegant and convenient.

A+ CLASS

Maximum efficiency, minimum consumption.

Cook like a pro

Master chefs deserve tools to match their creativity. Discover our new range of ovens and elevate your kitchen with Bolero Hexa:

MEAT MASTER

STEAM MASTER

AIRFRYER MASTER

PIZZA MASTER

Meat Master

Ovens for meat lovers

GRAPHENE HEATING ELEMENT

Forget preheating

Cocina tus cortes de carnes favoritos como un auténtico chef con sus resistencias de grafeno que llegan hasta 500°C. The oven is designed with an innovative graphene heating element that reaches 100°C in 0.16 seconds. So you can save energy, money and time.

STEAK GRILL

Achieve the perfect doneness

Cook your favourite cuts of meat like a real chef thanks to its 2900 W grill that allows it to reach up to 500 °C. Sear your meats on the outside at high temperature and leave them juicy in the inside to enjoy as never before.

ALUMINIUM TRAY

Your home grill

Grill the meat as if you were cooking on a barbecue thanks to its cast aluminium tray, which has two positions (grill and griddle) so you can cook to your liking.

Steam Master

Steam cooking: healthier and just as irresistible.

STEAM ASSIST

Combined steam

Enjoy even more possibilities with mixed cooking that combines steam with conventional baking for unique textures in all your recipes.

TFT DISPLAY

One-touch cooking

Enjoy easy operation thanks to the TFT display. Forget the hassle and prepare anything with a simple touch. Convenient, intuitive and fast.

STEAM BASE

Steam XXL zone

The ovens have a double Steam zone of up to 1 L (500 ml and 500 ml) so all steam functions can be used without having to refill the cavity on a daily basis.

STEAM DOSE

Automatic dispenser

Fill the dispenser with water and forget about the rest. The oven will automatically generate steam for healthier and more tender recipes.

GUSTO STEAM

100% steam,
100% healthy

AirFryer Master

Oven and fryer, all in one

AIRFRYER MASTER

Air cooking

Forget about using oil for perfect frying. Cook with air and get irresistible and perfectly cooked recipes, crispy on the outside and tender on the inside.

SS AIRFRY BASKET

Crunchy recipes

Get the most out of the Air Fryer Master function thanks to its steel basket, which allows for perfectly cooked recipes without excess fat.

Pizza Master

Become a pizza master at home

PIZZA MASTER

Cooks like a stone oven

Prepare your pizzas in the authentic Neapolitan style thanks to the special Pizza Stone XXL accessory together with the convection fan.

SS AIRFRY BASKET

Crunchy recipes

Get the most out of the Air Fryer Master function thanks to its steel basket, which allows for perfectly cooked recipes without excess fat.

PIZZA STONE

Perfect doughs

The ovens are equipped with the Pizza Stone XXL accessory with a diameter of 35 cm for perfect baking of doughs.

Multifunctional ovens

Cook faster and better

FUNCTIONS

7 functions¹, unique results.

- . Grill Mode
- . Fan Assisted Grill
- . Convection
- . Fast Cooking
- . Defrost
- . Steam Assist
- . Steam Easy Clean

STEAM BASE XXL:

Discover the power of steam

The ovens have a Steam XXL zone so you can cook with steam using the Steam Assist function and forget about cleaning. You can also use the Steam Easy Clean function to remove dirt with steam. Nothing but advantages.

TOUCH DISPLAY

Easy and handy control

Select all oven functions from the display. Choose the one that best suits your recipe with a single touch, and you're done!

Pyrolytic ovens

Always like new without effort

TFT DISPLAY

Easy and handy control

Select all oven functions from the TFT display. Choose the one that best suits your recipe with a single touch and that's it!

11 FUNCTIONS

More possibilities, better results

- Convection
- Maxi Grill
- Fast Cooking
- Steam Master Cooking
- Steam Assist Cooking
- Steam EasyClean
- Fan Grill
- Multicooking
- AirFry Master
- Pizza Master
- 3D Cooking y Defrost.

PYROLYSIS¹

Clean oven without scrubbing

With this function, cleaning will be a mere formality. High temperature chemically decomposes the remains of dirt inside your oven, leaving it spotless every day.

¹The number of levels may vary depending on the model..

Conventional ovens

Versatility for all kitchens

TRIPLE GLASS DOOR

Retains maximum heat

The oven door has 3 layers of glass, a special design that helps to retain heat for more efficient cooking while preventing possible burns when touching the outside.

COOLING FAN

Fast cooling

Its cooling system chills the oven quickly, so it can be cleaned instantly and used in complete safety.

STEAM BASE

Endless possibilities

The ovens are equipped with the Steam Base zone to create endless possibilities. Fill the cavity with water, cook with steam (Steam Assist) and forget about cleaning, as the Steam EasyClean function descales dirt to make cleaning easier than ever.

Meat Master Ovens

Capacity: 72L

A+ Class

100 °C in 0.16 sec.

Bolero Hexa SM406000 Edge+ A+

Steak Master multifunction built-in oven with 72 l capacity, 13 functions with Pizza Master, Eco mode and defrost, electronic timer, 2900 W.

FEATURES:

72 litres capacity: cooking for the whole family with its large capacity and 5 tray positions.

Energy class A+: reduce energy consumption without reducing the cooking efficiency of your recipes.

12 functions: enjoy a wide variety of options (Steak Master, Eco Mode, Pizza Master, Defrost Mode, Fermentation Mode, among others), cook without limits and enjoy perfect results.

Graphene heating elements: It reaches higher temperatures efficiently thanks to its graphene composition, which is also noticeably illuminated for better cooking monitoring without the need to open the door.

Perfectly cooked meats: cook all types of meats and steaks in its Steak Master Tray accessory, which cooks them to perfection so you can enjoy every bite.

Cook authentic pizzas: prepare your favourite pizzas on the special stone included in the oven and get a perfect cooking of the dough.

Control the temperature inside: check the temperature of your food at a glance and regulate the degrees according to the needs of each moment to achieve perfect recipes.

Quick preheating: save cooking time with this convenient function, which also allows you to cook at the ideal temperature right from the start.

Telescopic guides: slide the oven trays securely along the guides and cook in complete safety.

Fast cooling: forget about long waits after cooking to clean the oven or store things in it. Its fast cooling will avoid both possible burns and long waits.

Touch control: thanks to its Full Touch panel, you can control all the oven functions with a simple touch.

Bolero Hexa SM406002 Black TFT A+

Cecotec Bolero Hexa SM406002 Black TFT A+ built-in oven with Meat Master function, 81 L capacity, specialist 700°C meat function, cooking assistant and MyFav function, cast iron grill, 6.8" TFT touch display, Pyrolytic function, blue interior finish, matte black glass and tinted black finish.

FEATURES:

The Cecotec Bolero Hexa SM406002 Black TFT A+ is the perfect multifunction oven for meat lovers, delivering restaurant-quality results in the comfort of your home.

Its elegant matte black glass and tinted black glass finish enhances any modern kitchen, providing a sophisticated and easy-to-clean appearance.

With 60 cm width and a generous 81-litre capacity, this oven is ideal for both families and those who enjoy cooking large pieces or multiple portions simultaneously.

The Meat Master function turns the oven into a true specialist, allowing steaks, rib-eyes, tenderloins and burgers to be prepared with tender, juicy and perfectly seared results.

The ceramic grill reaches temperatures up to 700°C, achieving the same searing effect as a professional grill. The cast iron Meat Tray distributes heat evenly for perfect grill marks.

The cooking assistant allows you to select meat thickness and exact doneness (rare, medium, well-done), automatically adapting parameters to obtain ideal results for every taste.

The guided process automatically manages timing and displays on-screen when to insert meat, preheat the grill, flip the steak and when to remove the meat, making cooking easy and foolproof.

Save your favourite cooking settings after each use with MyFav function, to quickly and easily repeat your preferred recipes.

The pyrolytic function automatically and effectively cleans the oven by burning off grease and dirt residues, while the blue enamelled interior finish further facilitates cleaning and adds a distinctive touch.

The 6.8" TFT touch display offers an interactive and visual experience, guiding step by step throughout the process, enabling any user to achieve professional results.

S5011

Bolero Hexa S604500 Matt Glass Black

Bolero Hexa S604500 Matt Glass Black built-in steam oven, 55 L capacity, Steam Master, TFT display control dial, AutoOpen, triple-glazed door.

FEATURES:

The Cecotec Bolero Hexa S604500 Matt Glass Black is a built-in steam oven that enables healthier cooking, preserving nutrients and natural flavour of each ingredient.

Its matte black glass finish adds an elegant and modern touch, perfectly matching any kitchen style and facilitating daily cleaning.

Thanks to its compact 45 cm design and 55-litre capacity, this oven is ideal for kitchens with limited space, without sacrificing the ability to prepare dishes for the whole family.

The Steam Master function, along with the special steam tray, allows 100% steam cooking, ideal for fish, vegetables, meats and desserts. This method cooks food without adding fats, preserving vitamins, minerals and natural juiciness.

The oven features 10 cooking functions, including Air Fry, Fan Forced, Grill, Fan Grill, Bake, Fan Bake, Bottom Heat and Defrost, so you can prepare all types of recipes with professional results and maximum versatility.

The Airfryer Master function and Airfryer Basket allow you to achieve crispy, healthy fried food with very little oil, directly in the oven.

The AutoOpen system automatically opens the door without a handle, providing easy access to your dishes while delivering maximum convenience and minimalist design.

Its hybrid control panel, combining a central knob and touch panel, along with TFT display, enables intuitive, visual and precise management of all oven functions.

The triple-glazed door in tinted black glass guarantees maximum safety and thermal insulation, keeping exterior cool and preventing heat loss.

COMPOSITION:

Compact steam oven, Airfryer basket, baking tray, steam tray, wire rack, instruction manual

Bolero Hexa S606000 Edge TFT A+

Edge built-in steam oven, 81 L capacity, Class A+, 11 functions with Steam Master, Steam Assist, Steam EasyClean, Airfryer Master, Pizza Master, 3D Cooking, TFT display.

FEATURES:

Large 81 l capacity: with 25% more interior space, you can cook for the whole family with its large capacity and 5 tray positions.

11 functions: Convection, Maxi Grill, Fast cooking, Steam Master, Steam Assist, Steam EasyClean, Fan Grill, Multicooking, Airfry Master, Pizza Master, 3D Cooking and Defrost.
Energy class A+: save on every use, reduce energy consumption without reducing the cooking efficiency of your recipes.

Airfryer Master: the healthiest option using a minimum amount of oil to achieve the finish you like best. Crispy on the outside and tender and juicy on the inside, thanks to the use of forced hot air convection throughout the oven cavity.

SS Airfry Basket: stainless steel basket to make the most of the Airfryer Master function.

Steam Master: only steam cooking to preserve flavour and nutrients to the maximum.

3D cooking: perfect 3D heat distribution to reach all areas of the oven for cooking on up to 5 levels.

Pizza Master: cook authentic Italian pizzas on the special stone included with the oven for perfect cooking of the dough.

Pizza Stone XXL: the 35 cm diameter stone base makes the most of the Pizza Master function.

Steam EasyClean: steam removes dirt and allows for better cleaning.

Steam Assist: prepare your dishes with this function, using baking together with steam to make your recipes crispy on the outside and juicy on the inside.

Telescopic guides for total control of the cooking process.

6.8" TFT display that is touch-sensitive and easy to use.

Bolero Hexa AF319000 Inox A

Airfryer Inox built-in oven with 133 l capacity, class A, 11 functions with Airfryer Master, Pizza Master, Steam Assist, Steam EasyClean and 3D cooking.

FEATURES:

Large capacity of 133 L: cook for the whole family with its large capacity and 5 tray positions. 11 functions: Convection, Maxi Grill, Fast cooking, Steam Assist Cooking, Steam EasyClean, Fan Grill, Multicooking, Airfry Master, Pizza Master, 3D Cooking and Defrost.

Energy class A: save on every use, reduce energy consumption without reducing the cooking efficiency of your recipes.

Airfryer Master: The healthiest option using a minimum amount of oil to achieve the finish you like best. Crispy on the outside and tender and juicy on the inside, thanks to the use of forced hot air convection throughout the oven cavity.

SS Airfry Basket: steel basket to make the most of the AirFryer Master function.

Pizza Master: Cook authentic pizzas: prepare your favourite pizzas on the special stone included in the oven and get a perfect cooking of the dough.

Pizza Stone XXL: the 35 cm diameter stone base makes the most of the Pizza Master function. Get the best pizza baking with professional results.

Steam Base X2: double Steam Zone with XXL capacity up to 1 l (500 ml + 500 ml) for the use of the Steam EasyClean and Steam Assist functions.

Steam EasyClean: steam removes dirt and allows for better cleaning.

Steam Assist: prepare your dishes with this function, using baking together with steam to make your recipes crispy on the outside and juicy on the inside.

3D cooking: perfect 3D heat distribution to reach all areas of the oven for cooking on up to 5 levels.

Zentral Control: For maximum simplicity of use with a single central electronic control.

X3 Display: display divided into 3 zones where you can clearly see and select temperature, time and cooking mode.

Telescopic guides for total control of the cooking process.

Bolero Hexa P506000 Glass Black A+

Horno integrable Pirofítico Glass Black de 81L de capacidad, 11 funciones con Airfryer Master, Pizza Master, 3D Cooking, Steam Base X2, Pirólisis, Clase A+.

CARACTERÍSTICAS:

Gran capacidad de 81L, cocina para toda la familia con su gran capacidad y 5 posiciones de bandejas. Hasta un 25% más de espacio interior.

11 funciones: Convección, Maxi Grill, Fast cooking, Steam Assisst Cooking, Steam EasyClean, Fan Grill, Multicooking, Airfry Master, Pizza Mater, 3D Cooking y Defrost.

Clase energética A+: ahorra en cada uso, reduce el consumo energético sin restar eficacia durante la cocción de tus recetas.

Pirólisis, proceso de limpieza en el que se descomponen los restos de suciedad dentro del horno por medio del calor.

Airfryer Master: La opción más saludable empleando una mínima cantidad de aceite para conseguir el acabado que más te gusta, crujiente por fuera y tierno y jugoso en su interior, gracias al empleo de la convección forzada de aire caliente en toda la cavidad del horno.

SS Airfry Basket: Cesta de acero para sacar el máximo partido a la función AirFryer Master.

3D cooking: Perfecta distribución 3D del calor que permite llegar a todas la zonas del horno para cocinar hasta en 5 niveles.

Pizza Master: Cocina pizzas auténticas, prepara tus pizzas favoritas en la piedra especial que incluye el horno y consigue una cocción perfecta de la masa.

Pizza Stone XXL: Base de piedra de 35cm de diámetro para sacar el máximo partido a la función Pizza Master. Consigue la mejor cocción de pizzas con resultados profesionales.

Steam Base X2: Zona Steam doble con capacidad XXL de hasta 1L: 500ml + 500ml para el uso de las funciones Steam EasyClean y Steam Assist.

Steam EasyClean: el vapor desincrusta la suciedad y permite una mejor limpieza.

Steam Assist: prepara tus platos con esta función, utilizando el horneado junto con el vapor para que tus recetas queden crujientes por fuera y jugosas por dentro.

Guías telescópicas.

Bolero Hexa P509000 Matt TFT A+

Pyrolytic Matt built-in oven with 133 l capacity, class A+, 11 functions with Airfryer Master, Pizza Master, 3D cooking, steam base X2, TFT display and self-cleaning through pyrolysis.

FEATURES:

Large capacity of 133 L: cook for the whole family with its large capacity and 5 tray positions.

11 functions: Convection, Maxi Grill, Fast cooking, Steam Assist Cooking, Steam EasyClean, Fan Grill, Multicooking, Airfry Master, Pizza Master, 3D Cooking and Defrost.

Energy class A+: save on every use, reduce energy consumption without reducing the cooking efficiency of your recipes.

Pyrolysis, a cleaning process in which dirt residues are decomposed inside the oven by means of heat.

Airfryer Master: The healthiest option using a minimum amount of oil to achieve the finish you like best. Crispy on the outside and tender and juicy on the inside, thanks to the use of forced hot air convection throughout the oven cavity.

SS Airfry Basket: steel basket to make the most of the AirFryer Master function.

3D cooking: Perfect 3D heat distribution to reach all areas of the oven for cooking on up to 5 levels.

Pizza Master: Cook authentic pizzas: prepare your favourite pizzas on the special stone included in the oven and get a perfect cooking of the dough.

Pizza Stone XXL: the 35 cm diameter stone base makes the most of the Pizza Master function. Get the best pizza baking with professional results.

Steam Base X2: double Steam Zone with XXL capacity up to 1 L (500 ml + 500 ml) for the use of the Steam EasyClean and Steam Assist functions.

Steam EasyClean: steam removes dirt and allows for better cleaning.

Steam Assist: prepare your dishes with this function, using baking together with steam to make your recipes crispy on the outside and juicy on the inside.

Telescopic guides for total control of the cooking process.

6.8" TFT display.
