Coanda Infinity™

HEATING PLATES¹

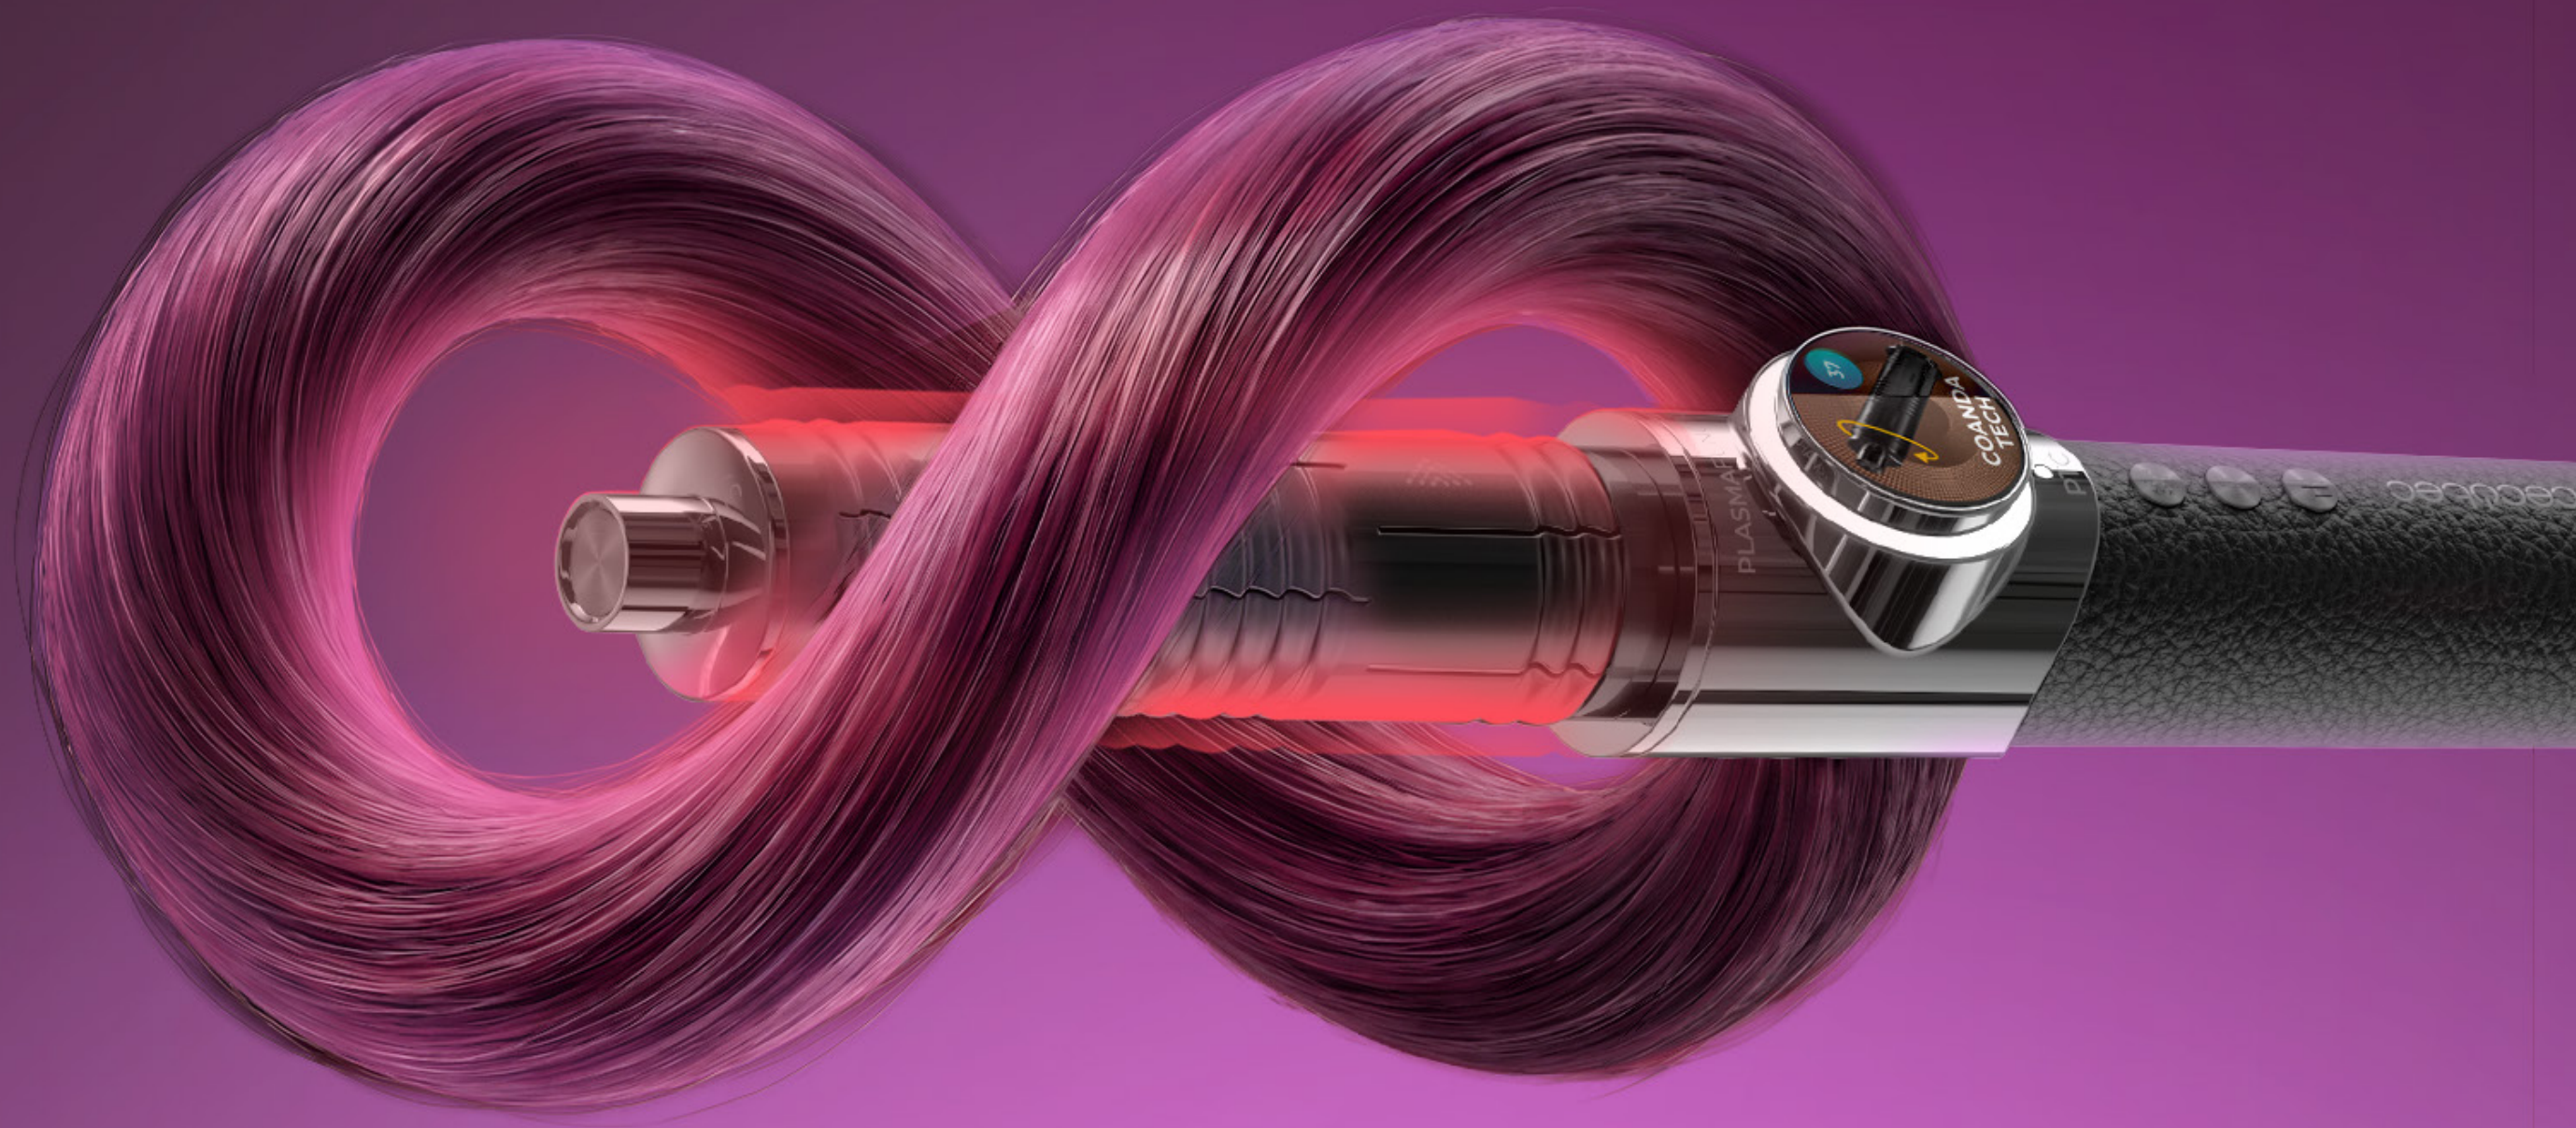

Longer-lasting waves

They distribute heat evenly to define your style and make it last longer.

GLAMBOOST TECHNOLOGY

A quicker styling experience

The slots grip the strand more quickly to simplify your beauty routine

Discover AirGlisse™

HEATING PLATES²

Flawless and long-lasting hairstyle

Advanced PTC technology allows it to quickly reach its ideal temperature and maintain it steady throughout the styling process. This not only improves styling efficiency but also helps to seal the hair cuticle, fixing your hairstyle and providing a more polished, shiny, and long-lasting finish after every use.

ROTATING FUNCTION³

Effortless styling

Work your hair with greater comfort and control, making shaping and styling easier. Thanks to this system, you can shape ends, define fringe, or work on specific areas of your hair, ensuring an elegant and precise finish.

DIGITAL DISPLAY

Complete control over every hairstyle

The optimum temperature and the speed are automatically set for each attachment, ensuring the best performance from the first use, while also giving you the freedom to adjust them to suit your preferences.

³Available with the 38 mm and 45 mm RotaryStyler brushes with the Rotary accessory.

BRUSHLESS MOTOR⁴

Faster results

Equipped with a powerful motor of up to 150,000 rpm, it guarantees fast and efficient drying. Its advanced technology optimises airflow to reduce drying time and enhance performance with every use.

**150.000
RPM**

PLASMA TECHNOLOGY

Shinier, more polished hair

Cares for your hair while styling and helps to combat frizz. The result: softer, silkier hair after every use.

UP TO 15 ATTACHMENTS

COANDA INFINITY™ 37 MM

Perfect waves

Achieve defined, long-lasting waves in less time.

COANDATECH 34 MM

Natural waves

Create soft curls and waves with ease and achieve a voluminous, long-lasting finish.

UP TO 15 ATTACHMENTS

ROTARYSTYLER 38 AND 45 MM

Effortless styling

Makes it easier to style the ends, define fringe, and work on specific areas of your hair.

AIRLISSE

Smooth straightening

Shiny, defined straight hair in every pass thanks to its heating plates and airflow.

UP TO 15 ATTACHMENTS

MAXICURLS

Defined curls

Defines each curl and adds extra volume to your hair.

LISSE&VOLUME

Naturally straight hair

Straightens and adds volume to the hair, ideal for an elegant, voluminous result.

UP TO 15 ATTACHMENTS

DRY&SLEEK

Dries and reduces frizz

Removes moisture and provides a natural straight finish in each pass. Provides a smooth and shiny finish, ideal for those seeking quick and effective styling.

AIRPRECISION⁵

Powerful drying

Its powerful airflow delivers fast results after every use.

⁵We recommend using it with the Flex accessory.

UP TO 15 ATTACHMENTS

PRECISE BLOWOUT

Longer-lasting hairstyle with air redirection

Style your hair with ease thanks to this styling brush with heating plates that set your style for longer and an airflow redirection system designed to offer a personalised experience.

BLOWOUT

Voluminous styling

Adds volume and movement simply and effectively, providing a flawless finish.

UP TO 15 ATTACHMENTS

FRIZZFREE

More polished hair

Combats static electricity at the roots, leaving hair softer and more manageable.

FLEX ATTACHMENT

Customise the style to your taste

Allows you to use any head with a fixed angle to better direct the flow.

UP TO 19 ACCESSORIES⁶

Endless ways to express your style

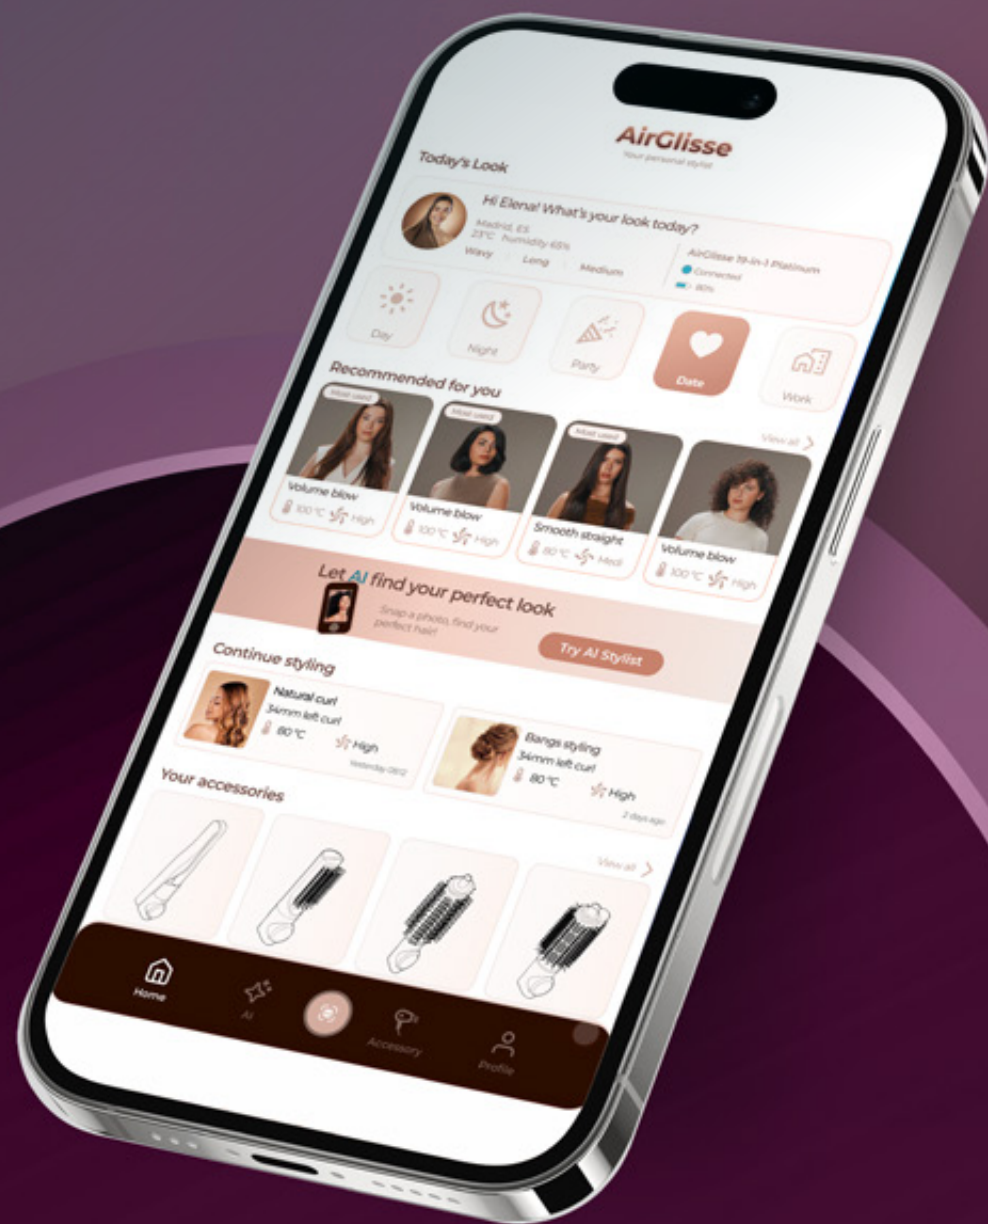

Designed to help you explore all the possibilities your hair has to offer. Includes 15 interchangeable attachments to create different finishes and 4 complementary accessories that make your routine more convenient and versatile.

APP⁷

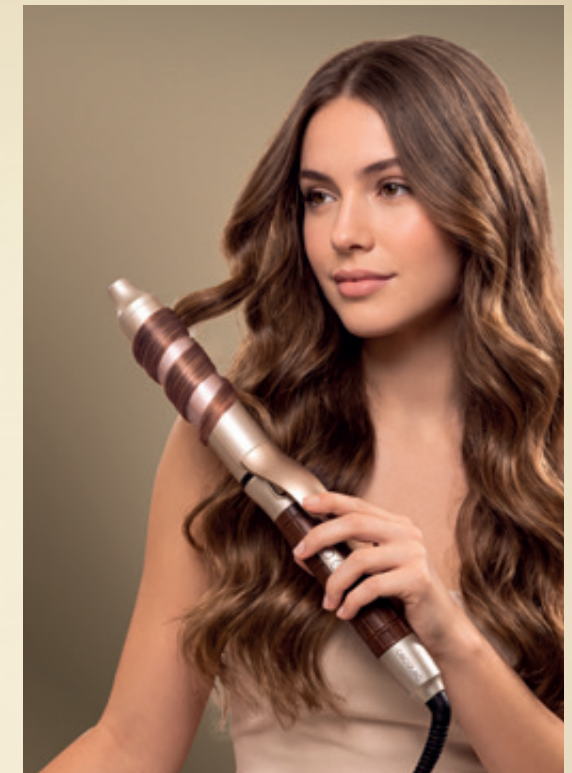

Your personal assistant for creating the perfect look

Our app recommends the ideal look for every occasion, based on your preferences and the style you want to achieve. Find inspiration, select your look and follow the step-by-step guide to create it with ease.

AirGlisse 8in1 Olive

1400 W hot air brush with 110 000 rpm BLDC motor, ionic function, 3 speeds, 4 settings (C/1/2/3), 360° swivel cord and 6 accessories

FEATURES:

One device, multiple finishes, maximum control. Change your look in minutes with a complete styling system: straightening, volume, waves and definition, without the need for multiple tools. 8-in-1. Coanda attachments guide the hair to create soft waves and curls, offering a much more intuitive and controlled styling experience. Perfect for adding shape, movement and a smooth finish without complication. Coanda attachments (left/right). It adds an elegant and smooth volume. Achieve a salon-quality finish: smooth, style and add natural volume for a sophisticated, quick and incredibly flattering result. BlowOut brush. Provides control and uniformity in each pass. Designed for a smoother, more polished straightening finish, it helps tame the hair, improve manageability and achieve a more uniform finish, making it ideal for sleek, defined styles. Straightening brush. Lift from the roots for a voluminous look. When the aim is volume (the good kind), this accessory works directly at the roots to add height, visual density and structure to your hairstyle. Root volumiser. Get the detail that makes all the difference. Perfect for finishing off your hairstyle, it defines soft, flowing ends, shapes your fringe and creates a more precise finish. Because in the final look it's all about the details. Styling brush for ends and fringe. It gives waves and curls a lovely definition. It distributes the air more gently to preserve the shape of the curls or waves and achieve a more controlled definition, with a natural finish and movement. Diffuser. Enjoy precise drying and quick preparation. Direct the airflow exactly where you need it for efficient pre-drying and superior control before styling. Ideal for working section by section and achieving a flawless result. Concentrator nozzle. A powerful, consistent airflow for faster, more even and more professional styling, even on thick hair. High-performance brushless motor (110 000 rpm) with high power output (1400 W). Tailor your styling to suit your hair type and the finish you're looking for, from a quick blow-dry to more detailed styling. Total control: 3 speeds and 4 temperature settings. Achieve a smoother finish with less frizz. Helps reduce static electricity and frizz for a smoother, shinier, more professional-looking finish. Ionic function.

AirGlisse 10in1 Champagne

AirGlisse 10-in-1 Multifunction 10-in-1 styler with Coanda technology that shapes, curls, styles, dries and eliminates frizz. With 3 speeds, 3 temperatures and smart heat control. 1,400 W brushless digital motor with 110,000 rpm. Attachments coated with ceramic, keratin and almond oil, ion generator and cool tip.

FEATURES:

Multi-function hair styler with 10 attachments. Achieve a wider variety of hairstyles with its different attachments: hairdryer, 33 mm, 40 mm and 70 mm brushes, 2 combs, 2 curling barrels (right and left), Maxicurls and Drysleek attachments, to add more curling options and a sleeker finish.

Coanda technology. The styler's airflow tends to follow the surface of both curling barrels, wrapping hair around the styler and creating perfect curls effortlessly.

Coated heating plates. The styler features ceramic-coated attachments that maintain hair health.

Great power. With 1400 W and high speed, you'll enjoy optimal styler performance thanks to its 110,000 rpm high-speed digital Brushless motor that facilitates quick hair styling.

Reduces frizz. The negative ions released by AirGlisse combine with the positive ions naturally present in your hair, working together to seal in moisture from the roots and reduce frizz.

Smart heat control. It allows you not to overheat your hair, taking care of it at all times.

3 temperature settings. Look after your hair by choosing the temperature that suits it best.

3 air flow speeds. Adjust your styler's airflow according to your styling needs.

Cool air function. Set and seal your hairstyle.

360° swivel cord. Enjoy comfortable styling thanks to its 1.8 m 360° swivel cord and hanging loop.

AirGlisse 16in1 Champagne

16-in-1 styling brush with a brushless motor 110,000 rpm (1,400 W), anti-frizz plasma function, Coanda + 37 mm curling attachment with PTC plates; includes a comb and clips.

FEATURES:

With 16 styling attachments, you can dry, style, straighten or define waves and curls without needing multiple tools. Change your look in minutes and tailor the result to suit your everyday style or a more sophisticated finish.

The high-speed brushless motor, combined with its 1,400 W power, delivers a powerful and consistent airflow for more efficient drying and styling. Spend less time in front of the mirror and have more control to achieve a consistent result at home. 110,000 rpm brushless digital motor + 1,400 W.

Neutralises frizz and enhances shine while styling. Your hair looks smoother and better cared for, especially in humid conditions or when you're aiming for a more sophisticated finish.

Plasma function.

Makes it easier to shape your hair while styling, helping you achieve a neater, more natural finish. Ideal for guiding your hair, creating a soft shape and enhancing the feeling of control while styling. Coanda brush.

Makes it easy to create soft, natural-looking waves and curls, adding shape effortlessly with the 34 mm Coanda Tech attachment. With the 37 mm Coanda Tech attachment, create waves with more volume and definition. With PTC technology, it enhances the finish so your hairstyle looks more polished and lasts longer. 34 mm and 37 mm Coanda Tech attachments.

It dries your hair and helps create a smoother, shinier finish, while reducing frizz in the process. DrySleek attachment.

Transforms the styler into a tool for a smoother, shinier finish, ideal for an elegant look. The end result is neater hair with a more 'salon-style' finish at home. AirLisse attachment.

It eliminates frizz and improves the appearance of the hair, leaving it more manageable and with a neater finish. Perfect as a final step to finish off your hairstyle and enhance your overall look. FrizzFree attachment.

Defines curls and waves in curly hair, adding volume and shape with ease. Helps achieve a more even definition with a neater result. MaxiCurls diffuser.

Straightens while adding volume, ideal for a full and bouncy finish. Lisse&Volume brush.
