Power that fights stains head-on

Revitalise your upholstery from the very first pass with power of up to 1000 W. It combines intense spraying with unstoppable suction to go beyond the surface and tackle stubborn stains, spills and ingrained dirt, restoring every fabric to its best condition.

Cleans and disinfects with steam

Clean and sanitise without limits. The power of steam penetrates the fibres, eliminates germs, tackles dirt and removes even the most stubborn stains from every piece of upholstery. Sofas, carpets, mattresses... every cleaning session is a true transformation.

Accessory pack for unlimited cleaning

With a wide range of accessories for every surface and need, Cecotec upholstery cleaners are up to any challenge. Because not all stains are the same, but they all meet the same end: a deep clean.
