1 TO 5 BURNERS

Cook your favourite meals all at the same time

Choose between 1, 2, 3, 4 or 5 burners¹ of different diameters and power ranges to prepare all your recipes to your liking.

UP TO 31.1 KW

Recipes for high heat cooking

With a total power of up to 13.1 kW² and its super-powerful Eternal³ burner, high temperatures are no longer a limitation. Control the flame for every recipe and take every meal to the next level.

3 TYPES OF FINISH

Easy cleaning and elegance for your kitchen

Add a sophisticated touch to your kitchen with any of our finishes: Stainless Steel, Nano Glass and Glass Black. Choose the one that best suits your style, and don't worry about maintenance, as it is very easy to clean.

¹The amount of fire varies depending on the model.

²Total power varies depending on the model and number of burners.

³Eternal burner available only for models: Bolero Squad G 1800S Eternal Nano Glass, Bolero Squad G 3800S Eternal Nano Glass, and Bolero Squad G 5800S Eternal Nano Glass.

WOK BURNER

Ideal for stir-fry dishes

Its triple-crown WOK burner allows for even heat distribution. Perfect for cooking Asian dishes and other recipes that require intense, even heat.

ELECTRIC IGNITION

Forget about matches and lighters

Cook quickly, conveniently and safely with its electronic ignition. Simply turn the external knobs to activate the burners, and you're ready to start preparing each recipe.

INDIVIDUAL OR COMPLETE PAN SUPPORTS

Maximum stability and resistance

Complete or individual cast iron pan supports that provide a solid base for your pots and frying pans, withstanding daily use without wear and tear thanks to their height and durability.

INDUCTION AND GAS

Your favourite duo in the kitchen

The best of both worlds: induction and gas in our Bolero Squad GI 3500 Hybrid FullFlex. This combination hob allows you to enjoy the speed and efficiency of induction, together with the versatility and precise control of gas for cooking to your liking.

FULLFLEX

Maximum cooking space

The FullFlex Zone allows you to cook with cookware of any size, as it automatically adapts to the surface of the cooking utensil. This flexibility maximises cooking space and gives you complete freedom to prepare even bigger meals.

9 SPEEDS + BOOSTER FUNCTION

Customised cooking

3500 W of power so you can choose the right setting for your recipe and achieve the perfect result. What's more, you can speed up cooking with the Booster function so you don't waste a single minute.

KEEP WARM AND STOP&GO

Convenient cooking

With the Keep Warm function, you can keep food at the ideal temperature until it is time to serve it, and the Stop&Go function allows you to pause and resume cooking without losing the programmed settings.

BBQ GRILL

Barbecue in your kitchen

The Bolero Squad G 2000 BBQ Grill is designed so you can barbecue in your kitchen. Grill food inside your home without losing the flavour and texture of a traditional barbecue.

VOLCANIC ROCKS

The taste of an authentic barbecue

It includes volcanic stones that absorb heat from the electric heating element and distribute it evenly across the entire surface, adding that unique smoky flavour to your dishes.

Bolero Squad G 1200S Glass Black

Gas hob, 1 burner, black glass finish, individual cast iron pan supports, 3.5 kW of power, triple crown WOK burner, electric ignition, valve safety system, for natural gas and gas conversion accessory included.

Bolero Squad G 2000 Glass Black

Cecotec Bolero Squad G 2000 Glass Black - Single burner gas hob, 3.4 kW, black glass finish, cast iron pan supports, WOK burner, electronic ignition, safety valve system, gas conversion kit included.

FEATURES:

Cecotec Bolero Squad G 2000 Glass Black is the ideal gas hob for those seeking fully customised cooking. Its domino format allows easy combination with the Bolero Squad G 2000 BBQ Grill and Bolero Squad I 2000 Flex Glass Black, achieving all cooking styles in one space.

With 3.4 kW power and a triple ring burner, this hob ensures quick and uniform heating, perfect for any recipe and for those seeking professional results.

The elegant black glass finish adds a modern and sophisticated touch to your kitchen, while being easy to clean and maintain impeccably.

The cast iron grill is designed to withstand intensive daily use, offering stability and durability for all your pots and pans.

The electronic ignition ensures quick and safe start-up, providing greater convenience and eliminating the need for matches or lighters.

Features an automatic safety system that cuts off gas supply in case of accidental flame extinction, providing maximum peace of mind during use.

Includes conversion accessory, allowing you to choose and adapt the hob to the gas type that best suits your household needs, providing flexibility and versatility in installation.

COMPOSITION:

Domino gas hob, cast iron support, instruction manual, gas injectors, mounting kit

Bolero Squad G 2000 BBQ Grill

Cecotec Bolero Squad G 2000 BBQ Grill - 30 cm modular BBQ hob with volcanic stones, ceramic glass base, cast iron upper grill, removable stainless steel container, operation indicator light.

FEATURES:

The Cecotec Bolero Squad G 2000 BBQ Grill is designed to bring authentic barbecue experience to your kitchen, allowing indoor grilling that replicates the taste and texture of traditional barbecue, regardless of weather or space constraints.

Includes volcanic stones that absorb heat from the electric heating element and distribute it evenly across the surface. When food juices and fats fall onto the hot stones, they vaporise, adding that unmistakable smoky flavour to your dishes, similar to a charcoal or gas barbecue. Thanks to its 30 cm domino format, you can easily combine it with other Bolero Squad range hobs, such as gas or induction hobs, creating a completely customised cooking zone adapted to all your culinary needs.

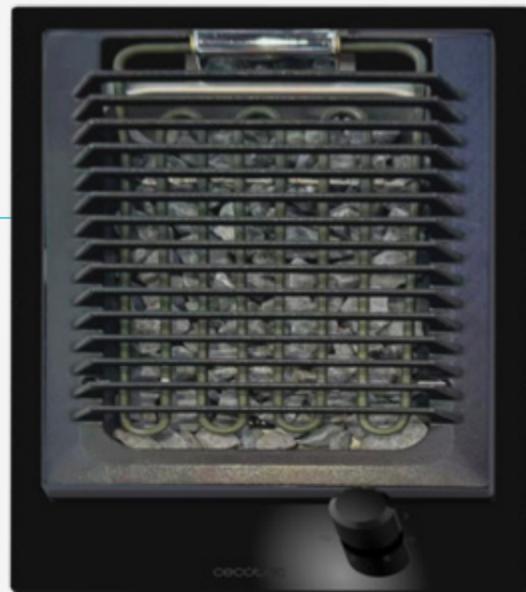

The cast iron grill provides excellent heat distribution, ensuring perfect searing and professional results in every roast. Additionally, its resistance ensures long service life even with intensive use.

Features a removable stainless steel container that facilitates grease and food residue collection, allowing quick and hassle-free cleaning after each use.

With up to 2380 W of power, the Bolero Squad G 2000 BBQ Grill offers rapid heating and maintains a high, constant temperature, essential for perfectly grilling your food and achieving that golden, juicy finish you expect from a good barbecue.

COMPOSITION:

Domino BBQ hob, cast iron support, volcanic stones, instruction manual, mounting kit

4 burners. With four powerful burners, it is ideal for a large and elegant kitchen, allowing you to prepare multiple dishes simultaneously. It offers you the possibility to cook efficiently and without sacrificing high quality results.

Total power of 8 kW. 1 triple ring burner of 3.4 kW + 2 semi-rapid burners of 1.8 kW + 1 auxiliary burner of 1 kW. This gas hob guarantees fast and even cooking, allowing you to save time in the kitchen and get perfect results every time.

Modern elegance with its matt Nano Glass finish, a black glass that is not only easy to clean, but also adds a sophisticated touch to your kitchen, keeping it spotless and always sparkling.

Individual cast iron pan supports. Individual cast iron pan supports provide superior stability for your pots and frying pans, ensuring even cooking and offering long-lasting strength.

WOK burner. The WOK burner allows for even heat distribution, ideal for cooking Asian dishes and other recipes that require intense, even heat.

Electric ignition. Electronic ignition facilitates quick and safe starting without the need for matches or lighters, offering greater convenience and safety.

Valve safety system. The safety system automatically cuts off the gas supply if it detects that the flame has been accidentally extinguished, protecting your home from possible accidents and ensuring your family's peace of mind.

Accessory for conversion to butane gas. It includes an accessory for conversion, giving you the flexibility to choose between natural gas or butane according to your needs and availability.

COMPOSITION:

Gas hob, 4 individual pan supports, conversion kit, instruction manual.
