Ceramic hobs

Cooking tailored to your needs

UP TO 6200 W

Up to 9 power levels

Prepare each recipe with the utmost precision. Depending on how your food needs to be cooked, you can adjust the power of the hob up to 6200 W¹.

TOUCH CONTROL

One-click cooking

Prepare each dish in a simple and easy way. Select the temperature, cooking zone, programmes and even set the timer with a single touch.

TRIPLE RING

Endless possibilities

Our glass ceramic hobs have up to 4 cooking zones² and 3 rings³ of different sizes where you can cook different quantities and recipes at the same time.

INDIVIDUAL TIMER

Set the time and don't think about it

Each recipe requires its own cooking time. Set the timer and done! The hob will let you know when your dish is ready to move on to the next step.

¹Power varies depending on the model.

²Cooking zones vary depending on the model.

³Triple ring not available for Bolero Squad V 2001 and Bolero Squad V 4001 models.

Bolero Squad V 2001

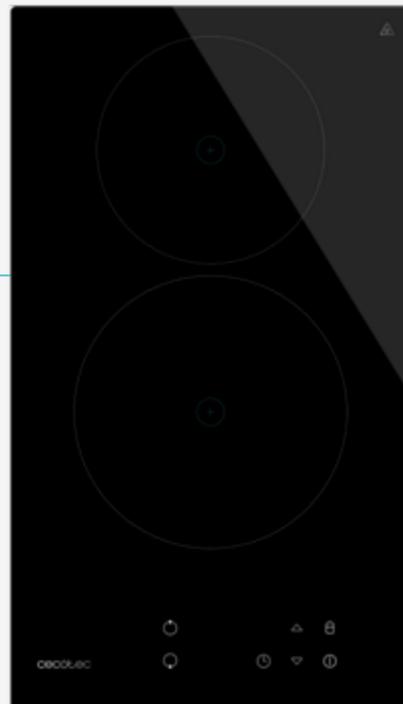

2-burner glass-ceramic hob, 9 levels, maximum power, 3000 W and touch control.

FEATURES:

- 9 power levels: cooks with the right power level for every moment and process.
- High maximum power: take advantage of its high maximum power of up to 3000 W and cook anything.
- Touch control: get greater selection precision with its touch control.
- Child safety lock: don't worry about your children's safety thanks to the child safety lock.
- Set the time: regulate and programme the cooking of your dishes with its built-in timer.
- Keep warm system: maintain the temperature of your food without overcooking it.
- Pan detector: it has utensil recognition which prevents the hob from operating without any of the utensils on it.
- Residual heat indicator light: a light indicates when the burners are hot.
- 2 burning zones: contains a 16 cm, 1200 W burning zone and a 20 cm, 1800 W burning zone.

COMPOSITION:

Ceramic hob, insulating tape, brackets, instruction manual

Bolero Squad V 3001 Max

3-burner glass ceramic hob, ideal for preparing meals for one or more people without worrying about burner availability or power requirements.

FEATURES:

- Tailored recipes. 9 power levels to cook with the appropriate power required for each dish.
- Cook whatever you want. Maximum power of 6200 W.
- Control everything with your finger. Simply slide your finger to activate all hob functions, from programmes to timer thanks to its touch control.
- Peace of mind in your kitchen. Child safety with the Kid Lock function.
- Personalised cooking for each dish. Individual timer: calculates the cooking time by zones.
- Thanks to this system, do not worry about calculating the time each burner has been on, and so avoid burning your food.
- Safety first. Automatic shut-off: if no operation is detected, it will turn off shortly.
- Prevent accidents. Heat indicator light that warns through a light when the cooking zones are still hot. This system shows when the surface is cold or hot, allowing safe placement of items and preventing incidents.
- Adapts to your cookware. Thanks to its triple ring, you can cook with any pan or pot diameter up to 295 mm.

COMPOSITION:

Bolero Squad V 3100

Cecotec Bolero Squad V 3100: Glass ceramic hob with 3 zones, 5700 W of total power, touch control, 9 levels, triple ring, individual timer, Stop&Go, residual heat indicator light and child safety lock.

FEATURES:

With three cooking zones, you can prepare several dishes simultaneously, saving time and allowing you to enjoy more of your home-cooked meals.

The total power of 5700 W ensures fast and efficient heating, speeding up cooking time and saving energy.

The touch control allows you to operate the hob with great precision and ease, offering an intuitive and sophisticated user experience.

With 9 power levels, you have total control over the heat intensity, allowing precise settings for each type of cooking.

The triple ring system allows cooking with any diameter frying pan or casserole, ensuring even heat distribution and greater versatility in the kitchen.

The individual timer in each zone gives you the peace of mind of knowing that your dishes will be cooked to perfection without having to keep an eye on the clock.

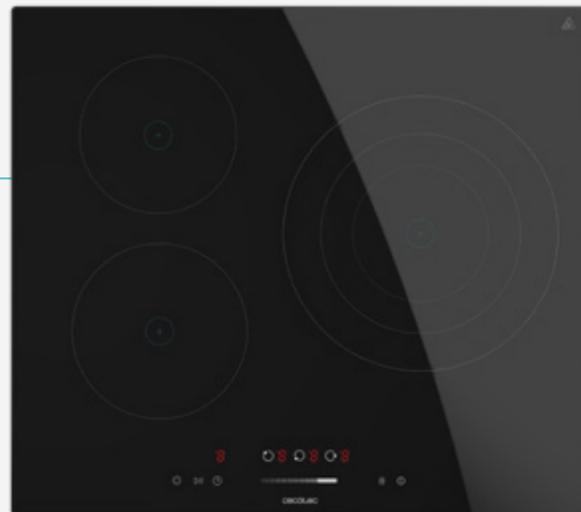

The Stop&Go function gives you the flexibility to pause and restart cooking with the same settings, ideal for when you need to interrupt your meal preparation.

The residual heat indicator light alerts you when cooking zones are still hot, providing additional safety when using the hob.

The child safety lock ensures that children cannot accidentally activate the hob, giving you peace of mind and protecting your family.

Induction hobs

Cook whatever you want, however you want

UP TO 5 COOKING ZONES

Prepare your favourite dishes all at the same time

Choose from 1, 2, 3, 4 or 5 cooking zones and cook your recipes all at the same time.

UP TO 10200 W

Up to 9 power levels and Booster function

Up to 10200W¹ of power so you can choose the right setting for your recipe and achieve the perfect result. What's more, you can speed up cooking with the Booster function so you don't waste a single minute.

STOP&GO²

Pause cooking when needed

If you need to do something else while you are cooking, don't worry: pause the cooking zones and resume them when you are ready.

TOTAL FLEX

Versatility at its best

Enjoy absolute versatility with Total Flex⁴. Cook in up to 8 different zones, combine them to your liking by adapting them to the size of your containers and enjoy authentic culinary experiences.

TOUCH SLIDER CONTROL

Customised settings

Touch and drag control allows you to select the desired configuration with great precision and total comfort.

KEEPWARM

Your meals won't get cold

Thanks to the Keep Warm function³, induction hobs maintain the temperature of your recipes without overcooking them

³Function not available for these models: Bolero Squad I 2100 Flex, Bolero Squad I 2000 Flex Glass Black, Bolero Squad I 3001, and Bolero Squad I 3001 Flex.

⁴Only available for the Bolero Squad I 4800 TotalFlex hob model.

²Function not available for the Bolero Squad I 3250 hob model.

SENSOR CONTROL⁷

Accuracy guaranteed

The innovative Sensor Control system measures the temperature of the cooked food wirelessly and displays it on the hob, ensuring accurate and professional control at all times.

LOW POWER HEATING⁵

Ideal for cooking in a bain-marie

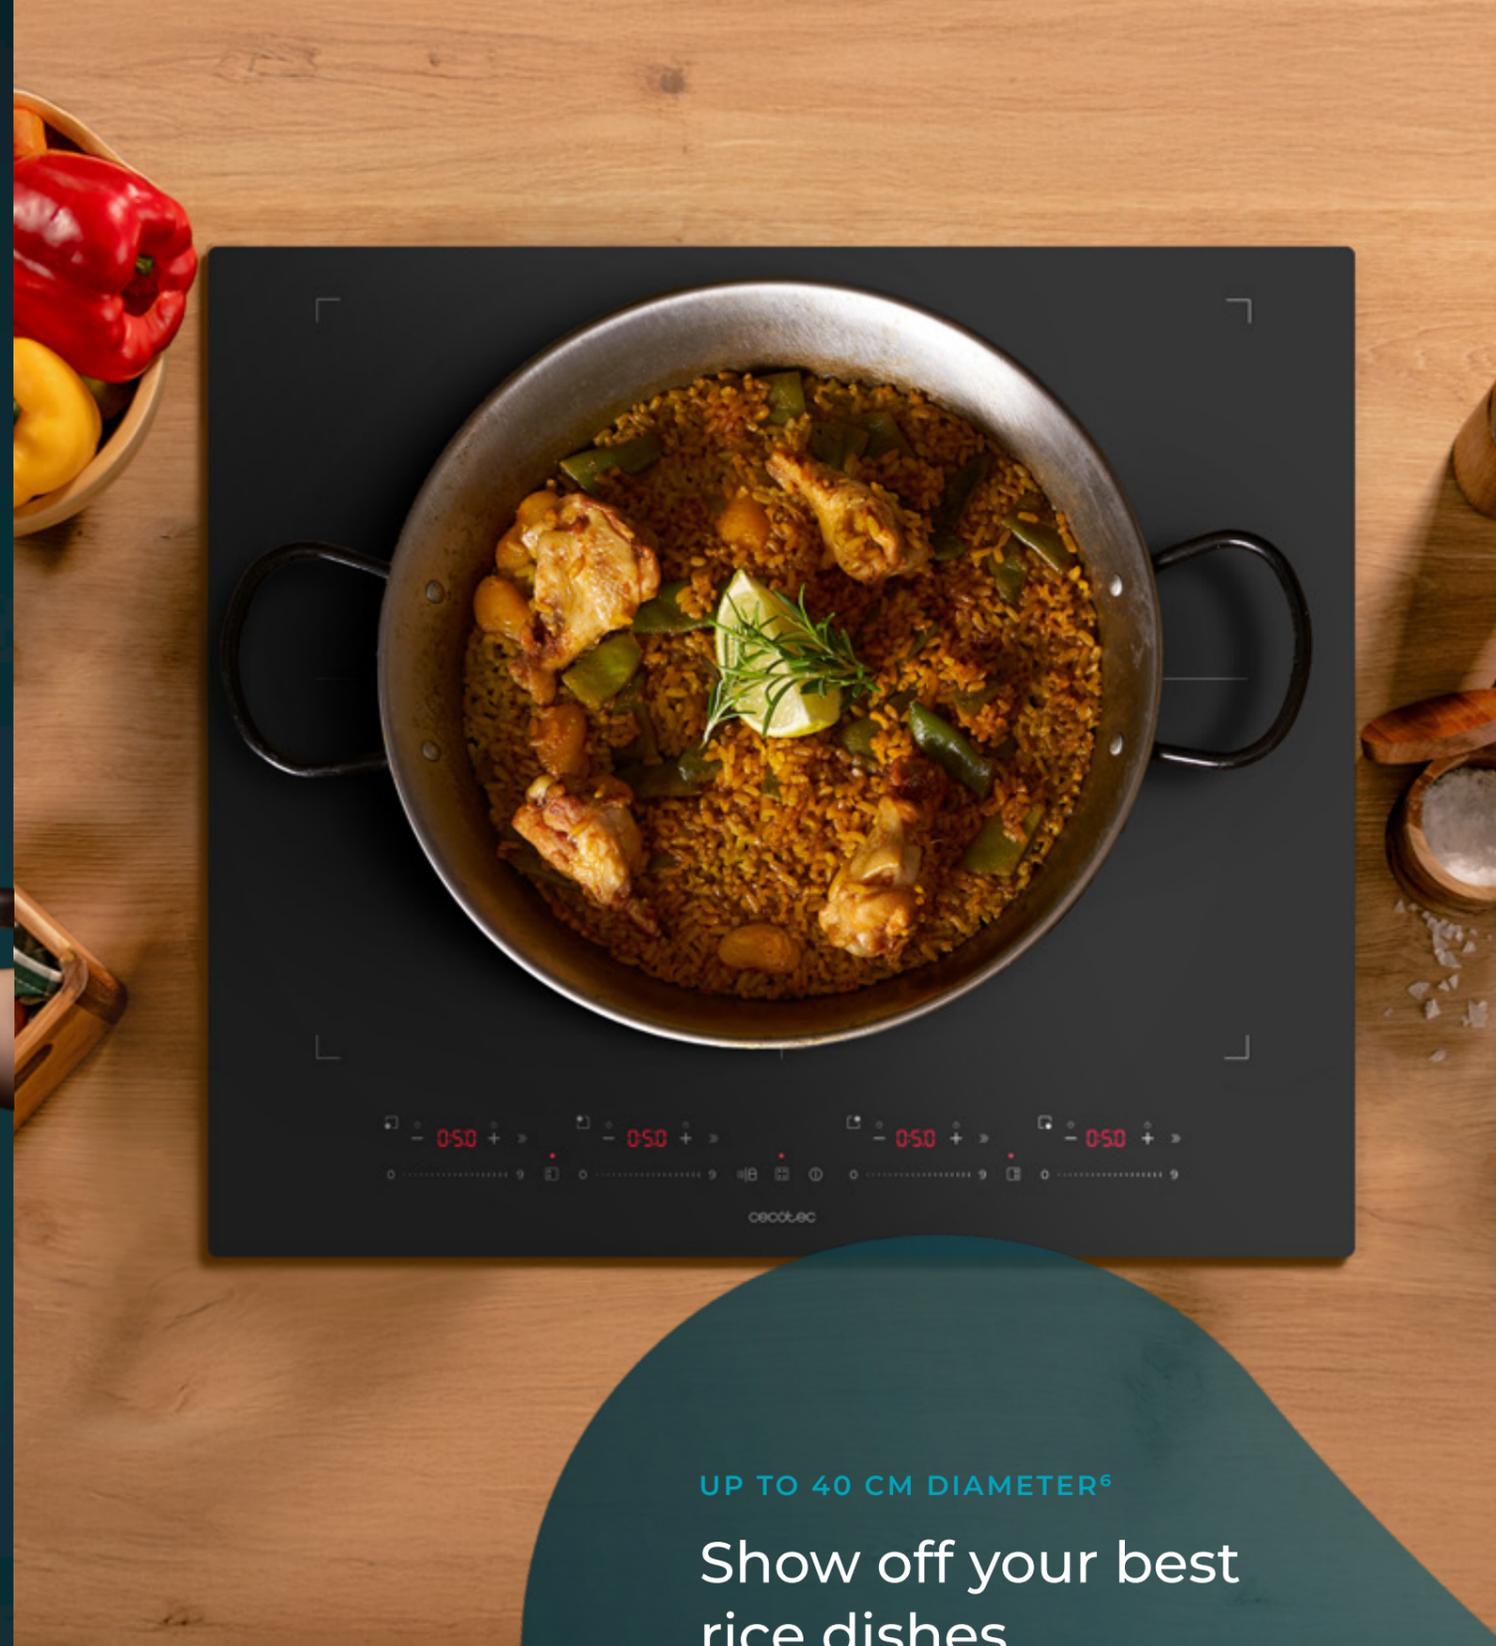

Cook your dishes at low temperature, with constant, precise power and no interruptions.

SHIELDGLASS⁵

Gran resistencia

El exclusivo acabado ShieldGlass negro mate, no solo aporta sofisticación a tu cocina, sino que también protege la superficie de la placa frente a los arañazos. De esta manera, el cristal estará siempre impecable y como nuevo por mucho más tiempo.

UP TO 40 CM DIAMETER⁶

Show off your best rice dishes

Up to four cooking zones that you can use together, creating a large zone of up to 40 cm, or separately to cook different dishes. Perfect for preparing all kinds of rice dishes and paellas like a true professional.

⁵Only available for Bolero Squad I 3001 and Bolero Squad I 3001 Flex hob models.

⁷ Available for Bolero Squad I 4750 TitanicZone model.

⁵Available only for Bolero Squad IH 2200 FullFlex ShieldGlass, Bolero Squad IH 4200 FullFlex ShieldGlass, Bolero Squad IH 4500 FullFlex ShieldGlass, and Bolero Squad IH 4500 FullFlex90 ShieldGlass models.

⁶Available for Bolero Squad and 4700 TitanicZone.

Unique design and aesthetics

INVISIBLE COOKING

Seamless integration into your worktop

Create your dream kitchen with the 'invisible' induction hob that offers perfect integration. As it is concealed, it does not interfere with the aesthetics of your worktop, maintaining a clean, modern and elegant look.

FULLFLEX ZONE

Cooking tailored to your needs

Combine two zones to use larger pans, depending on the recipe.

Bolero Squad I 2100

Bolero Squad I 2000 Flex Glass Black

Cecotec Bolero Squad I 2000 Flex Glass Black - Placa de inducción modular de 30cm, acabado cristal negro, FlexZone, Domino de 30cm, Potencia 3500W, Touch Control, Child Lock.

CARACTERÍSTICAS:

Disfruta de la cocina moderna con la placa de inducción Flex Zone, que permite adaptar la superficie de cocción al tamaño de tus recipientes para una máxima versatilidad y eficiencia. El formato Domino de 30 cm te permite combinar esta placa con otros módulos de la gama Bolero Squad, creando una zona de cocinado completamente personalizada según tus necesidades y gustos.

Con 3500W de potencia máxima, obtendrás un calentamiento ultrarrápido y eficiente, ideal para preparar cualquier receta en menos tiempo y con el mejor rendimiento.

Ajusta la intensidad de cocción con sus 9 niveles de potencia y utiliza la función Booster para alcanzar la máxima potencia de forma instantánea, perfecta para hervir agua o saltear alimentos rápidamente.

El panel Touch Control ofrece un manejo intuitivo y preciso, facilitando el ajuste de potencia y configuración de la placa con solo un toque.

La placa detecta automáticamente la presencia de sartenes para mayor seguridad y eficiencia, y su función Child Lock bloquea los controles para evitar cambios accidentales, ideal para hogares con niños.

El indicador de calor residual te informa si la superficie aún está caliente después de apagar la placa, evitando accidentes y proporcionando una mayor seguridad en la cocina.

COMPOSICIÓN:

Placa Domino de Inducción, Manual de Usuario, Kit de Montaje

S5037

Bolero Squad I 3001 Max

3-zone induction hob, 9 power levels, timer, Booster function, 6600 W maximum power, Touch Slider control, Stop&Go, Kid Lock and Low Power Heating.

FEATURES:

High maximum power of 6600 W: take advantage of its high maximum power of up to 6600 W and cook everything you want.

9 power levels and Booster function: cooks with the right power level for every moment and recipe.

Timer and Stop&Go: adjust and programme the cooking of your dishes, as well as pause all the zones at the same time in case of any interruption, and reactivate them with the previous power whenever you want.

Touch and slide control: includes the Slider touch control function for a more precise selection of its functions.

Kid lock: don't worry about your children's safety thanks to the child safety lock.

Low Power Heating: cooks at low intensity with constant and precise power, ideal for even and efficient cooking without temperature variations.

Bolero Squad I 3600

Cecotec Bolero Squad I 3600 induction hob. Black colour with bevelled front. 3 cooking zones, total power of 7400 W, Invisible Touch Control, Keep Warm, Stop&Go, KidLock functions and individual timer. Discover the power of modern cooking!

FEATURES:

3 cooking zones with an XL one of 32 cm diameter: Cecotec Bolero Squad I 3600 has three cooking zones, including an XL 32 cm diameter zone, ideal for large frying pans and pots. This allows you to cook multiple dishes and use large cookware without inconvenience, opening up a range of culinary possibilities with greater efficiency and convenience.

Total power of 7400 W: With an impressive 7400 W of power, this induction hob ensures fast and efficient cooking of your food. Forget about long waits, the high power allows you to reach high temperatures in less time, optimising your time in the kitchen and giving you perfect results in every dish.

9 power levels and Booster function: Adjust the cooking intensity with its 9 power levels for perfect control over your cooking. In addition, the Booster function gives you extra power when you need it, ideal for boiling water in seconds or searing meats quickly, giving you flexibility and efficiency in the most demanding recipes.

Invisible touch control: The innovative invisible touch control of the Bolero Squad I 3600 not only brings a minimalist and elegant design to your kitchen, but also makes it easy to use and clean the surface. The intuitive interface makes it easy to adjust cooking with a simple touch, providing precision and convenience with every use.

Keep Warm function: Keep your food at the ideal serving temperature with the Keep Warm function. You no longer have to worry about reheating your dishes, this induction hob keeps your meals ready to enjoy at the right time, preserving their perfect texture and flavour.

Black colour with bevelled front: The design in black with bevelled front gives the Bolero Squad I 3600 a touch of sophistication that blends in perfectly with any style of kitchen. Its elegant finish not only enriches the space, but is also easy to combine with other appliances.

Kid Lock function: Safety is paramount, and with the Kid Lock function you can activate the safety lock on the icons to prevent accidental or improper tampering, providing peace of mind in a household with kids and ensuring a safe cooking environment.

Individual timer: The individual timer of each cooking zone allows you to have complete control over the preparation times of your recipes, avoiding overcooking or burning. Precisely programme each zone and focus your attention on other tasks while the hob takes care of the cooking time.

Bolero Squad I 4200

4-burner induction hob, 9 levels, 7200 W of maximum power, Booster Function and Touch Slider control.

FEATURES:

9 power levels: cooks with the right power level for every moment and process.

High maximum power: take advantage of its high maximum power of up to 7200 W and cook anything.

Quick start: it has a Booster Function when a quick start is needed for immediate cooking.

Touch and slide control: includes the Slider touch control function for a more precise selection of its functions.

Kid lock: don't worry about your children's safety thanks to the child safety lock.

Set the time: regulate and programme the cooking of your dishes with its built-in timer.

Keep warm system: maintains the temperature of your food without overcooking.

Pan detector: it has a cookware recognition system which prevents the hob from operating without any cookware.

Residual heat indicator light: a light indicates when the burners are hot.

4 burners: features two 16 cm 1500 W burners and two 18 cm 2100 W burners for a greater variety of cooking possibilities.

Bolero Squad I 4300 Invisible FullFlex

Cecotec Bolero Squad I 4300 Invisible FullFlex - The invisible induction hob that transforms your kitchen with 7200 W power and total control

FEATURES:

Innovation and style. Cook directly on your worktop with the invisible induction hob, and enjoy a more spacious and modern kitchen.

All your dishes ready in an instant. 7200 W power to cook any recipe quickly and efficiently, without compromising quality.

Versatility and comfort. Wired controller with Slider Control that can be installed wherever you prefer in your kitchen.

Adapt cooking to your needs. FullFlex zones allow combining two areas to use larger cookware, according to your requirements.

Cooking at your pace. 9 speeds and Booster function ideal for choosing from slow simmering to rapid boiling.

Safety first. Cook with peace of mind thanks to Child Lock and Residual Heat Indicator.

Perfect dishes. Individual timer to adjust cooking time for each dish.

Maximum performance. We recommend using a worktop* that withstands over 400°C, such as porcelain or granite, 12 to 15 mm thick.

*Worktop not included.

Bolero Squad I 4700 TitanicZone

Cecotec Bolero Squad I 4700 TitanicZone induction hob with 4 zones, 7400 W total power, touch slider control, 9 power levels, TitanicZone, FlexZone, Stop&Go, Booster, individualised timer, residual heat indicator and child safety lock.

FEATURES:

4 independent zones, 2 flex zones or an extra-large zone. With four independent zones, you can cook several dishes simultaneously. In addition, with the option to choose between 2 flex zones or an extra-large zone, you can use larger pans to suit your cooking needs.

Total power of 7400 W that ensures fast and efficient heating, reducing standby time and improving energy efficiency.

TitanicZone: the innovative TitanicZone allows you to use all four zones simultaneously to cook with pans of up to 40 cm in diameter, ideal for preparing paellas and large feasts.

The Flex Zone provides the flexibility to combine two zones so you can use larger containers, adapting to your culinary needs.

The Touch Slider Control provides intuitive and precise operation of the hob, allowing you to adjust the temperature with a simple swipe of your finger.

9 power levels, you can adjust the heat setting for each type of cooking, ensuring perfect results for every dish.

The Stop&Go function allows you to pause and resume cooking with the same settings, perfect for when you need to focus on other tasks without worrying about food.

Booster function provides an extra boost of power to heat up quickly, perfect for when you need immediate results.

Individual timer in each zone that allows you to set the cooking time, ensuring each dish is perfectly cooked without the need for constant supervision.

The residual heat indicator light alerts you when cooking zones are still hot, providing additional safety in your kitchen.

Child safety lock prevents accidental operation, ensuring a safe environment for the whole family.

S5041

Bolero Squad I 4750 TitanicZone

Cecotec Bolero Squad I 4750 TitanicZone induction hob with 4 zones, 7200 W total power, illuminated touch slider control, 9 power levels, TitanicZone, Flex Zone, SmartFry, SmartBoil, individual timer, residual heat indicator and child safety lock with built-in SmartSensor.

FEATURES:

The Cecotec Bolero Squad I 4750 TitanicZone is an advanced induction hob, designed for those seeking professional performance and maximum versatility in their kitchen.

Enjoy ultra-fast and efficient heating with its 7200 W total power, reducing waiting times and optimising energy consumption with each use.

The touch Slider control and its illuminated bar offer an intuitive and comfortable experience, allowing you to adjust the power with precision and ease at any time.

Cook several dishes at once thanks to its four independent zones and take advantage of the flexibility of transforming two zones into a single extra-large one, perfect for large containers.

The exclusive TitanicZone allows you to use all four zones simultaneously to cook with cookware up to 40 cm in diameter. Ideal for preparing paellas, large feasts or family events.

Adjust the heat intensity with 9 power levels, ensuring total control over each type of cooking and perfect results in all your recipes.

Prepare perfect fried foods with the SmartFry function, which optimises temperature and time to obtain crispy and tasty results.

Boil water quickly and efficiently with the SmartBoil function, ideal for pasta, infusions and quick cooking.

The innovative SmartSensor wirelessly measures temperature and displays it on the hob, ensuring exact and professional control at all times.

Programme cooking time in each zone independently and forget about worries. Each dish will be perfectly cooked without constant supervision.

The residual heat indicator warns you if any zone is still hot, increasing safety and preventing kitchen accidents.

The child lock system prevents accidental activation, ensuring a safe environment for the whole family.

COMPOSITION:

Induction hob, temperature sensor, batteries, installation kit, instruction manual.

S5246

Bolero Squad I 4800 TotalFlex

Induction hob with 2 TotalFlex zones, 7400 W of maximum power, 9 levels, Booster function, timer, residual heat indicator light, Kid Lock and automatic safety shut-off and Touch Slider Control.

FEATURES:

TotalFlex Zone: thanks to its 8 inductors, it allows the use of a wide variety of cooking container types and sizes, as well as even heat distribution.

9 power levels and Booster function: cooks with the right power level for every moment and recipe.

Take advantage of its high maximum power of up to 7400 W and cook anything you want.

Timer: programme cooking for perfect results.

Residual heat indicator light: an indicator light shows when the burners are hot.

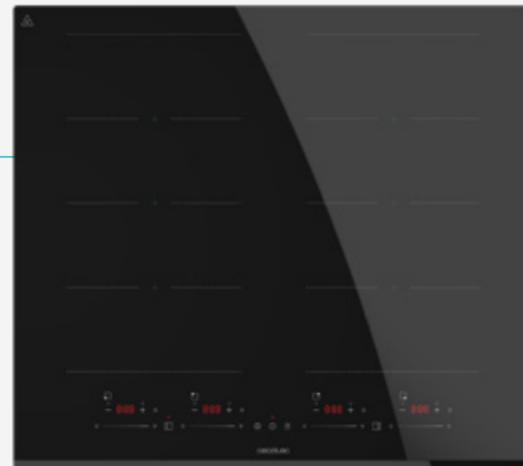

Automatic safety switch-off: safety function that automatically switches the hob off when it detects that it is not being used.

Touch Slider Control: touch and slide control allows you to select the desired settings with great precision and total comfort, both for the hob and kitchen hood.

Kid Lock: safety lock on the buttons to prevent children from controlling the hob and kitchen hood.

Bolero Squad I 5600 FullFlex90

Cecotec Bolero Squad I 5600 FullFlex90 induction hob. Black colour with bevelled front, 90 cm wide. Double Flex Zone and XL zone, total power of 10200 W, Invisible Touch Control, Keep Warm, Stop&Go, KidLock functions and individual timer. Maximum flexibility and power in your kitchen!

FEATURES:

2 Flex Zones and 1 XL zone of 32 cm diameter: Cecotec Bolero Squad I 5600 FullFlex90 has two innovative Flex Zones and an XL zone of 32 cm in diameter, offering unparalleled versatility. These Flex Zones allow different sized cookware to be used simultaneously on a continuous surface, while the XL zone is ideal for large pots and frying pans, facilitating the cooking of large quantities of food.

Flex Zone: its two burners can operate independently or together. The Flex Zone gives you unparalleled flexibility, as its two burners can operate independently or together. This feature is ideal for adapting to any culinary need, allowing you to cook multiple dishes at the same time or use a single extended area for larger cookware, optimising the use of space and heat.

Total power of 10200 W: With an impressive total power of 10200 W, this induction hob guarantees extremely fast and efficient cooking times. Perfect for those who value speed and precision in the kitchen, significantly reducing waiting time and allowing total control over food preparation.

9 power levels and Booster function: It has 9 adjustable power levels to adapt the cooking to each recipe, in addition to the Booster function that provides an extra power when needed. This level of control and flexibility allows you to cook any dish with precision, ensuring perfect results every time.

Invisible touch control: The invisible touch control not only offers a modern and minimalist design, but also makes the appliance easy to clean and use. Its intuitive touch interface allows you to adjust settings with a simple touch, providing convenience and precision when cooking.

Keep Warm function: The Keep Warm function keeps food at the ideal temperature until serving time, preserving its flavour and texture. This is the perfect solution to keep your dishes at their optimum without the need to reheat them, guaranteeing quality in every bite.

Black colour with bevelled front: The sleek black design with bevelled front gives the Bolero Squad I 5600 FullFlex90 a sophisticated aesthetic that complements any kitchen environment. This finish not only adds a touch of elegance, but is also practical and easy to combine with other appliances.

Induction hobs with extractor hood

Smoke-free kitchen

BUILT-IN EXTRACTION HOOD

Your favourite duo in the kitchen

Keep your kitchen smell-free thanks to this hob with built-in extractor hood with a suction power of 815.7 m³/h¹ and 3 speeds plus a Booster function, which perfectly absorbs smoke and grease while maintaining a unique aesthetic.

DYNAMIC AIR ADJUSTMENT ⁴

Say goodbye to smoke and unpleasant smells

Thanks to Dynamic Air Adjustment technology, which automatically adjusts the air flow and increases the extraction area according to the power of the hob, you can be sure of effective smoke and smell removal.

UP TO 90 CM WIDE

Versatility in every cooking process

Induction hob of up to 90 cm² that allows you to cook using any type of pan thanks to its 4 cooking zones or 2 FullFlex zones, allowing for space optimisation.

TOUCH CONTROL

Control everything with your finger

This hob provides intuitive and precise control, making it easy to adjust temperatures and functions with a simple touch.

UP TO 7200 W

Up to 9 power levels + Booster function

Up to 7200 W³ of power so you can customise all your meals and achieve the perfect result. What's more, you can speed up cooking with the Booster function so you don't waste a single minute.

Bolero Squad IH 2200 FullFlex

Compact 1-zone FullFlex induction hob with integrated extractor hood, 3500 W max. power, 9 power levels with Booster, Stop&Go, 500 m³/h extraction rate, 4 speeds with Booster function, Touch Control.

FEATURES:

The Cecotec Bolero Squad IH 2200 FullFlex is the perfect solution for compact kitchens, combining an efficient 40 cm induction hob with an integrated extractor hood, optimising space without compromising on advanced features.

Enjoy maximum versatility with its two individual cooking zones or combine them into a large Flex zone, ideal for large cookware and different cooking styles.

Control all functions quickly and easily with the Touch Control panel, allowing intuitive and precise operation.

With a maximum power of 3500 W, this hob ensures quick and efficient heating, so you can cook your favourite dishes in less time.

Adjust the intensity for each recipe with 9 power levels and use the Booster function to reach maximum power instantly.

The Stop&Go function allows you to pause cooking at any time and resume exactly where you left off, providing flexibility and convenience.

Programme the cooking time for each zone and achieve perfect results without worrying about time control.

Cook with maximum safety thanks to the residual heat indicator, which warns if the surface is hot, and Kid Lock, which locks the panel to prevent accidental operation.

Enjoy a smoke and odour-free environment with the integrated extractor hood, effectively eliminating fumes thanks to its 500 m³/h power.

Adjust the extraction according to your needs with 4 speeds and Booster function for moments requiring maximum power.

Customise installation with the specific evacuation kit for Bolero Squad IH 2200, adapting the equipment to your kitchen needs.

Bolero Squad IH 4300 Invisible FullFlex

Cecotec Bolero Squad IH 4300 Invisible FullFlex, invisible induction hob with built-in extractor hood that transforms your kitchen with 7200 W of power, total control and cutting-edge design.

FEATURES:

The Cecotec Bolero Squad IH 4300 Invisible FullFlex is a revolutionary invisible induction hob with built-in extractor hood, designed for those seeking innovation, functionality and style in the kitchen.

Cook directly on your worktop thanks to invisible induction technology. Enjoy a much larger and more modern space, without sacrificing power and with the extractor hood perfectly integrated for greater convenience and design.

Its incredible 7200 W power ensures ultra-fast and efficient heating, reducing waiting time and improving energy efficiency with each use.

The wired control with Slider Control can be installed wherever you prefer, offering maximum freedom and total control during cooking, perfectly adapting to your kitchen layout.

The FullFlex zones allow you to combine two cooking zones and use larger cookware, adapting to any culinary need and facilitating the preparation of dishes for the whole family.

Choose from 9 speed levels and activate the Booster function for rapid boiling or slow simmering as required by each recipe, always achieving the perfect result.

Cook with maximum peace of mind thanks to the child lock and residual heat indicator, which prevent accidents and provide a safe environment for the whole family.

Programme the cooking time for each zone independently and forget about worries. Ideal for achieving perfectly cooked dishes without constant supervision.

For optimal performance, it is recommended to install the hob on a worktop that can withstand over 400°C, such as porcelain or granite, 12 to 15 mm thick. *Worktop not included.

The extractor hood features an optimal Class A energy efficiency, maintaining clean air with low power consumption.

Choose between 3 speeds and Booster function on the hood according to the cooking intensity, ensuring an extraction power adapted to each situation.

COMPOSITION:

Invisible induction hob with extractor hood, extraction grid, carbon filter, installation kit, instruction manual.

S5245

Bolero Squad IH 4500 FullFlex ShieldGlass

60 cm 2-zone FullFlex induction hob with integrated extractor hood, ShieldGlass finish, 7360 W max. power, 14 levels with 4-level Booster function, KeepWarm, timer, residual heat indicator, Kid Lock, 650 m³/h extraction rate, 4 suction speeds with Booster function, Dynamic Air Adjustment, carbon filters, Class A, Slider Touch Control and Hidden White LED. Carbon filter and ultra-slim air evacuation kit included.

FEATURES:

Enjoy maximum efficiency and design in your kitchen with a hob that integrates advanced induction and extractor hood in one unit, saving space and improving functionality.

The exclusive ShieldGlass finish in matte black ensures a scratch-resistant surface, keeping the hob impeccable and elegant for much longer.

The control digits are white and only visible when the hob is on. When switched off, the display remains completely hidden, achieving a minimalist and sophisticated aesthetic.

Operation is intuitive and precise thanks to the Slider Touch Control, which allows power and functions to be adjusted by sliding your finger quickly and comfortably.

Achieve professional performance in your kitchen with a total power output of 7360 W, delivering quick, efficient and uniform cooking results.

Adjust cooking intensity between 14 speeds and use the Booster function to reach maximum power instantly, ideal for recipes requiring extra heat.

Keep your dishes warm with the KeepWarm function, control timing with the timer and cook with peace of mind thanks to the residual heat indicator and Kid Lock function for maximum family safety.

Dynamic Air Adjustment: the extractor automatically adapts to hob power, keeping the environment clean and smoke-free. Additionally, it continues running at low speed after turning off the hob to eliminate remaining odours.

The hood offers a powerful 650 m³/h suction and 4 speeds, ensuring efficient and quiet extraction with Class A energy efficiency.

The new generation carbon filter can be quickly and easily replaced by simply removing the extraction area cover, maintaining pure air in your kitchen at all times.

Includes an ultra-slim metallic evacuation kit that allows efficient under-counter storage, optimising space and facilitating installation in modern kitchens.

COMPOSITION:

Induction hob with integrated hood, instruction manual, mounting kit

S5030

Bolero Squad IH 4800 FullFlex80

Induction hob with 2 FullFlex zones and built-in kitchen hood, 7400 W of maximum power, 15 levels, Booster function, timer, residual heat indicator light, Kid Lock, and automatic safety shut-off. Built-in hood with suction of 630m³/H, 3 suction speeds with Booster function, automatic hood control, carbon filters, Class A and Touch Slider Control.

FEATURES:

More versatility for your kitchen thanks to this hob with built-in kitchen hood.

15 power levels and Booster function: cooks with the right power level for every moment and recipe.

FullFlex Zone: its two burners can operate independently or together, forming a rectangle. In that way, you can use larger cookware.

Take advantage of its high maximum power of up to 7400 W and cook anything you want.

Timer: programme cooking for perfect results.

Residual heat indicator light: an indicator light shows when the burners are hot.

Automatic safety switch-off: safety function that automatically switches the hob off when it detects that it is not being used.

Choose the power you want: the hood built-in to the hob offers 3 power levels to suit your needs, and a Booster function that accelerates the suction intensity.

630 m³/h suction power: forget about smoke thanks to its high suction power of 630 m³/h.

Maximum savings in every use: thanks to its class A energy label, you will make maximum savings in every day-to-day use.

No bad smells: includes carbon filters and grease filters, ideal for eliminating both bad smells and smoke.

Touch Silder Control: touch and slide control allows you to select the desired settings with great precision and total comfort, both for the hob and kitchen hood.

Kid Lock: safety lock on the buttons to prevent children from controlling the hob and kitchen hood.

Automatic kitchen hood mode: This function allows you to automatically combine cooking power with good suction.

COMPOSITION:

Induction hob, Hood motor, extraction grille, instruction manual, mounting brackets.

Bolero Squad IH 4800 TotalFlex80

Induction hob with 2 TotalFlex zones and built-in kitchen hood, 7400 W of maximum power, 15 levels, Booster function, timer, residual heat indicator light, Kid Lock, and automatic safety shut-off. Built-in hood with suction of 630m³/H, 3 suction speeds with Booster function, automatic hood control, carbon filters, Class A and Touch Slider Control.

FEATURES:

More versatility for your kitchen thanks to this hob with built-in kitchen hood.

15 power levels and Booster function: cooks with the right power level for every moment and recipe.

TotalFlex Zone: thanks to its 8 inductors, it allows the use of a wide variety of cooking container types and sizes, as well as even heat distribution.

Take advantage of its high maximum power of up to 7400 W and cook anything you want.

Timer: programme cooking for perfect results.

Residual heat indicator light: an indicator light shows when the burners are hot.

Automatic safety switch-off: safety function that automatically switches the hob off when it detects that it is not being used.

Choose the power you want: the hood built-in to the hob offers 3 power levels to suit your needs, and a Booster function that accelerates the suction intensity.

630 m³/h suction power: forget about smoke thanks to its high suction power of 630 m³/h.

Maximum savings in every use: thanks to its class A energy label, you will make maximum savings in every day-to-day use.

No bad smells: includes carbon filters and grease filters, ideal for eliminating both bad smells and smoke.

Touch Silder Control: touch and slide control allows you to select the desired settings with great precision and total comfort, both for the hob and kitchen hood.

Kid Lock: safety lock on the buttons to prevent children from controlling the hob and kitchen hood.

Automatic kitchen hood mode: This function allows you to automatically combine cooking power with good suction.

Bolero Squad IH 4500 FullFlex90 ShieldGlass

90 cm 2-zone FullFlex induction hob with integrated extractor hood, ShieldGlass finish, 7360 W max. power, 14 levels with 4-level Booster function, KeepWarm, timer, residual heat indicator, Kid Lock, 913 m³/h extraction rate, 4 suction speeds with Booster function, Dynamic Air Adjustment, carbon filters, Class A, Slider Touch Control and Hidden White LED. Carbon filter and ultra-slim air evacuation kit included.

FEATURES:

Enjoy a more spacious and functional kitchen with a 90 cm induction hob that integrates a powerful extractor hood, maximising space and design in your home.

The matte black ShieldGlass finish offers an elegant, modern and scratch-resistant surface, keeping the hob impeccable and facilitating daily cleaning.

The white panel digits only illuminate when the hob is on, remaining invisible and perfectly hidden when off, providing a minimalist and sophisticated aesthetic.

Adjust the hob's power and functions intuitively and precisely thanks to the Slider Touch Control, which responds with just a finger slide, facilitating daily use.

Experience fast and efficient cooking with 7360 W total power, ideal for preparing any recipe in less time with professional results.

Choose from 14 power levels for total cooking control and use the Booster function to reach maximum heat intensity in seconds, ideal for boiling, stir-frying or searing food.

Keep your dishes at the perfect temperature with KeepWarm, set the timer for total control, cook safely with the residual heat indicator and protect children with the Kid Lock system.

The extractor automatically adjusts its power to hob intensity and continues operating at reduced levels after switching off, eliminating residual smoke and odours for a consistently clean environment.

The integrated extractor hood delivers an impressive 913 m³/h extraction, Class A efficiency and 4 speeds, ensuring a smoke and odour-free environment.

The new generation carbon filter is extremely easy to replace: simply remove the extraction area cover, ensuring consistently pure and fresh air in your kitchen.

Includes an ultra-slim metallic evacuation kit that allows efficient under-counter storage and perfect integration in modern kitchens, optimising available space.

COMPOSITION:

Induction hob with integrated hood, instruction manual, mounting kit

S5029

Bolero Squad IH 4900 R FullFlex90

2-zone FullFlex induction hob with integrated extractor hood, 7200 W max. power, 9 levels with Booster function, Stop&Go, timer, residual heat indicator, Kid Lock, 815.7 m³/h extraction rate, 3 suction speeds with Booster function, Dynamic Air Adjustment, carbon filters, Class A, Touch Control.

FEATURES:

Cooking versatility: The Cecotec Bolero Squad IH 4900 R FullFlex90 offers a 90 cm induction hob with flexibility of 4 zones or 2 fullflex zones, allowing you to cook with any type of cookware while optimising available space.

Touch control and precision: With Touch Control, this hob provides intuitive and precise operation, making it easy to adjust temperatures and functions with a simple touch.

Power and efficiency: Equipped with 7200 W total induction power and 9 power levels plus Booster function, ensuring quick and efficient cooking, perfect for any type of preparation.

Safety and convenience functions: Stop&Go technology allows hassle-free pauses, while the timer, residual heat indicator and Kid Lock offer complete safety and control in the kitchen.

Integrated extractor hood: With an extraction rate of 815.7 m³/h and 3 speed settings plus Booster function, this integrated hood ensures effective removal of smoke and odours. The Dynamic Air Adjustment automatically adjusts the airflow and raises the extraction zone according to the hob power level.

Energy efficiency and maintenance: The hood has an energy class A, ensuring efficient consumption. Includes a carbon filter to maintain clean air, and an optional air evacuation kit, compatible to further improve performance.
