UPRIGHT VACUUM CLEANERS

2026

CONGA
ROCKSTAR

Power and intelligence

Conga Rockstar is synonymous with power. Reaches up to 400 airwatts to vacuum up even the dirt you can't see. It is also intelligent, thanks to its AI[1] it analyses the type of dirt, movements and is even capable of detecting edges and corners[2] to offer greater suction power just when you need it most. All this combined with its innovative large anti-tangle brushes that can clean anything regardless of the surface and, of course, its unlimited versatility that allows to vacuum and mop every nook and cranny.
No dirt can escape Conga Rockstar!

1. Available for the models: Conga Rockstar RX90 AI AquaPet Flex and RZ90 AI AquaPet Flex Connected.
2. Available for Conga Rockstar RX90 AI Aqua Pet Flex.

CONGA ROCKSTAR RZ500 AI AQUAPET FLEX STATION

The most powerful and intelligent Rockstar with self-emptying

Expert cleaning with AI and 410 AW

1250 W

UNGRAVITY MOTOR

A motor that is up to any task

Vacuum thoroughly with maximum performance on a daily basis thanks to a total power of up to 1250 W, offering a brutal suction power to remove all dirt effortlessly.

Unbeatable power

Takes cleaning to the next level and effortlessly sweeps away the toughest dirt. Vacuums up much more than you can see on any surface and traps even microscopic dirt in a single pass.

EDGE DETECT

Detects edges and corners

The innovative EdgeDetect technology ensures perfection right up to every edge and in every corner, intelligently managing power in areas where dirt accumulates most, such as in corners, and optimising it on surfaces that are already clean to save energy in each pass.

[2]In Eco mode with non-motorised accessory.

AI[1]

Adaptive smart power

Clean precisely without doing anything. The vacuum cleaner measures the amount of dirt and detects your movements – such as when you slow down – to automatically adjust the power to suit every cleaning situation.

[1]Available for Conga Rockstar RX90 AI Aqua Pet Flex

PULSAR BATTERY

Up to 180 m² on a single charge[1]

Clean without pauses thanks to its powerful Li-ion battery with XL cells of up to 4000 mAh and 33.6 V, providing an outstanding runtime of up to 100 minutes[2]. Outstanding runtime to match its ultra-power from start to finish. Moreover, with its quick charger, its battery will be recharged in record time.

[1]Based on internal tests. Runtime varies depending on the mode selected by the user. We recommend using Eco mode and increasing it for heavier dirt.

ROCKSTAR RZ

Smart cleaning with self-emptying

SELF-EMPTYING BASE[1]

Forget about allergies

Cleaning is now easier than ever. Get rid of dirt in the most comfortable and hygienic way thanks to its self-emptying base, which prevents you from coming into contact with dust, making allergies a thing of the past.

AUTO-CHARGING[2]

Battery always ready

Its base makes everything easier: it not only empties the tank automatically, but also charges the battery so that the vacuum cleaner is always ready for use.

Change the bag only 4 times a year[2].

[1]The time between emptying will depend on environmental conditions and usage habits.
[2]Available for Conga Rockstar RZ AI AquaPet Flex Connected.

ROCKSTAR SERIE S

Featherlight, Rockstar power

Enjoy agile cleaning thanks to the new ultralight Rockstar models, weighing 2.5 kg in upright format and just 1.45 kg handheld. An ultralight design that doesn't sacrifice the signature Rockstar technology: digital motor, anti-tangle brush, flex tube, and much more.

Discover a new way to clean and effortlessly tackle dirt.

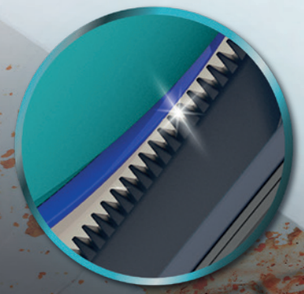

HAIRLESS XL BRUSH

Bigger surface[1], less tangles

Avoid hassle, save effort

The HairLess XL brush covers more area in each pass, collecting all types of dirt and preventing tangles thanks to its V-shaped design that eliminates hair and reduces manual brush cleaning.

HAIROUT

The serrated interior of the power head effectively cuts tangled hair, preventing clogs and keeping the brush clean for longer.

ADJUSTABLE ROTATIONAL SPEED[1]

Rockstar not only allows you to choose a customised power output for every situation. It now also allows you to choose the speed of the brush rotation through two modes: hard surfaces and carpets. Choose the ideal rotation speed for each moment, combine it with the ideal suction power and sweep away the dirt.

[1]Double suction area compared to Rockstar 1500.
[2]Available for the Conga Rockstar Rockstar RX90 AI Aqua Pet Flex series.

ROCKSTAR S SERIES

Dual multi-surface brush

Dual action for unstoppable dirt collection

FRONT BRUSH

Cleans right up to the edge leaving no trace.

Its robotic arm brings the front brush close to walls and corners, adjusting to the edge to capture dirt accumulated along skirting boards and in corners.

REAR BRUSH

Dirt has nowhere to hide

Its rear brush picks up everything from the finest dust to larger debris and directs it towards the suction area, ensuring effective cleaning on any type of floor.

HOME&CAR KIT

Deep clean your home and car

Enjoy unique versatility with its accessories for your home and car. The Home&Car Kit includes up to 8 accessories that allow for effective vacuuming of all types of upholstery and reaching even the most difficult corners of your home.

PET STYLE[1]

Take care of your pet, protect your floor

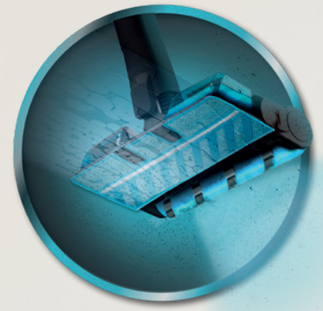

Rockstar Pet vacuum cleaners come with a kit of accessories that penetrate the fur, trap loose hair and suck it up directly to prevent it from ending up on the floor. This way, your home and your pet will always look perfect.

[1]Available for the Pet models.

WATERTANK

Vacuums and mops simultaneously

Forget the mop and save time thanks to the ErgoWet system, which allows simultaneous vacuuming and mopping for gleaming floors.

4-IN-1

The all-terrain vacuum cleaner

Achieve perfect results with any type of dirt and enjoy total cleaning in the most comfortable way. Adapt each use to your needs and get a tailor-made cleaning with up to 4 positions[1]: upright, broom, hand and floor scrubber.

[1]Positions vary depending on the model and accessories.

ERGOFLEX

Cleans low areas effortlessly

Reach farther and access low areas without needing to bend down thanks to its Flex Tube[1], designed to make the cleaning experience more comfortable.

[1]Available for the Conga Rockstar models with Flex system.

GREEN DETECT

Reveals invisible dirt

Vacuum even invisible dirt thanks to the GreenDetect light located on the power head, which illuminates even micro-dirt for a deep clean.

HEPA FILTER

Cleaner floors and air

Its HEPA filter retains dust, mites, pollen, and allergens, preventing them from returning to the environment during cleaning and creating a cleaner atmosphere. Especially useful for people with allergies and households with pets.

CONGA ROCKSTAR PURE

Say goodbye to handling dust and allergies

The new Rockstar AllergyCare has a built-in bag, so you don't have to touch the dust and can avoid allergies.

CONGA ROCKSTAR AIR STATION

Quick and easy cleaning, now with self-emptying

Clean quickly and say goodbye to allergies. Its self-emptying base transfers dust directly into the dust bag, so you can enjoy more hygienic cleaning, greater convenience and more time for yourself.

Conga Rockstar P50

Conga Rockstar P50 BLDC upright vacuum cleaner. 265 W and 80 AW suction power. Parking Position. Cleans up to 120 m²* without interruptions in Eco mode.

FEATURES:

Deep cleaning performance. 80 AW suction power and 20,000 Pa to clean even invisible dirt.
Constant power, effortless cleaning. BLDC motor with 265 W that offers better battery performance and increased vacuum cleaner lifespan thanks to its Brushless design.
Clean up to 120 m²* without interruptions. Removable 25.2 V Max and 2200 mAh battery. Up to 50 minutes of runtime in Eco mode and handheld vacuum cleaner, 30 in Medium mode and 17 in Turbo mode. With the tube and motorised head in Eco mode, reaches up to 45 minutes, 25 in Medium mode and 15 in Turbo mode.

*Based on internal tests.
**Run time varies according to selected mode. We recommend using Eco mode and increasing it for heavier dirt.
Vacuums everything and eliminates tangles. Mixed brush with HairOut: traps all types of dirt, eliminating hair tangles thanks to the serrated vacuum head design, minimising the need for manual cleaning.
Power that suits all needs. Modes: Eco, Medium and Turbo, allowing optimisation of vacuum cleaner and battery performance by regulating suction power according to cleaning needs at any moment.
Reveals invisible dirt. Green Detect: a built-in LED light that lets you see even the tiniest specks of dirt, so you don’t miss a thing.
Store it anywhere. Parking position: store the vacuum cleaner anywhere without needing a support point.
Clean more and empty less frequently. XXL tank: large capacity that prevents constant emptying.
Cleans furniture and corners in detail. 2-in-1 accessory for detailed and delicate cleaning of the most challenging home areas. Includes a wall mount, ideal for storing the vacuum cleaner tidily and always at hand.

COMPOSITION:

Upright vacuum cleaner, removable battery, 2-in-1 accessory, rigid tube, instruction manual

Conga Rockstar RS90 Pet Flex Detect

Conga Rockstar RS90 Pet Flex Detect upright vacuum cleaner. 650 W power and 230 AW suction power. 30 kPa. HairLess XXL anti-tangle brush. Up to 90 minutes of runtime in Eco mode and handheld vacuum cleaner. Green LED light. Flexible hose. Pet brush.

FEATURES:

Sweeps away all dirt. 230 AW: deep cleaning without effort thanks to its high power, which removes even dirt you can't see on delicate surfaces like carpets.
Cleans thoroughly without power loss. 650 W: deep cleans with high performance thanks to consistent power from start to finish.
Vacuum more in less time without tangles. HairLess Brush XXL: traps all floor dirt and sends it directly to the vacuum cleaner dirt tank thanks to its V-shaped design, preventing hair entanglement. Additionally, the serrated design inside the vacuum head cuts tangled hair, preventing blockages and keeping the brush clean for longer.
Cleans up to 160 m². Removable 33.6V Max, 3000 mAh battery that provides up to 90 minutes of runtime in Eco mode and handheld vacuum cleaner, 40 in Medium mode and 20 in Turbo mode. With motorised tube and vacuum head in Eco mode, reaches up to 60 minutes, 30 in Medium mode and 15 in Turbo mode.
*Based on internal tests.
**Runtime varies depending on the mode selected. We recommend using Eco mode and increasing it for heavier dirt.
Reveals invisible dirt. Green Detect: reveals invisible dust and dirt on hard floors, increasing suction precision so nothing escapes you.
Automatic power based on dirt level. Auto mode: adjusts the power according to dirt level, optimising cleaning and saving battery for more efficient, hassle-free use.
Brush and vacuum loose pet hair. Pet Style: brush that penetrates fur, traps loose hair and vacuums it directly to prevent it from ending up on the floor.
Cleans furniture and corners in detail. Accessory kit: maximises home cleaning with a 2-in-1 furniture accessory and another for corners, ideal for reaching the most difficult areas. Additionally, it includes a wall bracket for comfortable and organised storage, and an extendable hose that allows easy access to elevated and hard-to-reach places.
Deep vacuuming, even on high-pile carpets.
Suction pressure of 30 kPa.
Effortlessly vacuum low areas. ErgoFlex.

RX50 Pet Flex

Conga Rockstar RX50 Pet Flex upright vacuum cleaner. Maximum suction power of 300 AW and ultra power of 780 W. 90 minutes of runtime. HairLess anti-tangle brush. Flexible hose and complete accessory kit. Includes brush for pet hair.

FEATURES:

Sweeps away all dirt. 300 AW: extreme power that allows you to vacuum even invisible dirt effortlessly.
Cleans thoroughly without power loss. Ungravity motor with 750 W: deep cleans with high performance thanks to consistent power from start to finish.
Vacuums more in less time* without tangles. HairLess XL Brush: covers more area in each pass, trapping all types of dirt and preventing tangles thanks to its V-shaped design that eliminates hair and reduces manual brush cleaning. Additionally, the serrated design inside the vacuum head cuts tangled hair, preventing blockages and keeping the brush clean for longer.
*Double the suction area compared to Rockstar 1500.
Clean up to 160 m² without interruptions. 33.6 V Max Pulsar battery and 3000 mAh. Up to 90 minutes of runtime in Eco mode and handheld vacuum, 40 in Medium mode, and 20 in Turbo mode. With motorised tube and vacuum head in Eco mode, reaches up to 60 minutes, 30 in Medium mode and 15 in Turbo mode.
*Based on internal tests. **Battery life varies according to selected mode. We recommend using Eco mode and increasing it for heavier dirt.
Deep vacuuming, even on high-pile carpets. 30 kPa suction pressure: catches even what you can't see on challenging surfaces like high-pile carpets.
Clean low areas effortlessly with maximum visibility. Flex tube and LED light allow vacuuming low areas without bending and with total visibility thanks to its LED light so nothing escapes.
Right power for every situation. Modes: Eco, Medium, High and Auto. It regulates power according to dirt level at any moment and activates Auto mode for the vacuum cleaner to adjust power according to dirt level, optimising battery life.
Brush and vacuum loose pet hair. Pet Style: brush that penetrates fur, traps loose hair and vacuums it directly to prevent it from ending up on the floor.
Detailed cleaning for home and car. Home&Car Kit with 5 accessories for effective vacuum cleaning of your home and upholstery.
Full control at a glance. LED display: always view the battery level, selected cleaning mode and maintenance alerts thanks to its LED display.
Clean more and empty less frequently. XL tank: prevents constant emptying.
