FREESTYLE POWER CAPS

MULTI-CAPSULE COFFEE
MACHINES

More options, more freedom.

Cecotec multi-capsule coffee machines allow you to choose from the endless options offered by capsules. And, as if that weren't enough, the new range expands the possibilities by adding new features, such as a milk container and a steam wand to prepare lattes and cappuccinos, and even coffee beans! Because variety is the spice of life, here you have every possible option to enjoy your coffee with total freedom.

POWER CAPS 20

Design in size XS

Small body, big flavour

With Power Caps 20, you can turn any corner into a coffee corner. Its compact and elegant design fits anywhere, and since it is compatible with Nespresso capsules, it allows you to enjoy a wide variety of flavours and aromas without any complications.

COMPATIBLE WITH NESPRESSO

Variety and convenience

Taste and experience all the varieties and types of coffee

20 BARS

Unique cream and aroma

The coffee machines have a pump with up to 20 bars of pressure that extracts all the nuances from each bean, providing unique aroma and crema.

THERMOBLOCK

Coffee ready in seconds

Thanks to its Thermoblock rapid heating technology, you can quickly prepare coffee at the ideal temperature.

POWER CAPS SPIN

Coffee with plenty of style

Its elegant, subtle curves and compact design will not go unnoticed. Add a touch of elegance to your kitchen and enjoy up to seven types of drinks with this capsule coffee machine with a steam wand and a TFT display.

LCD DISPLAY

Full-colour coffee

Choose your drink and settings intuitively

7 TYPES OF DRINKS

Coffee without complications

Espresso, Lungo, Americano, Latte, Cappuccino, hot milk and hot water.

STEAM WAND

Control the foam, make a difference

Its steam wand with temperature sensor allows you to prepare lattes and cappuccinos with the perfect foam texture.

FREESTYLE SERIES

Maximum versatility. Full enjoyment

The FreeStyle series offers a tailor-made taste for every user thanks to its all-in-one design, which allows you to prepare both ground and capsule coffee. Choose your favourite format and the brand you like best, or give every day a different flavour thanks to its great versatility.

GROUND COFFEE

NESPRESSO

DOLCE GUSTO

E.S.E. PODS

K-FEE

SENSEO

FREESTYLE GRIND&LATTE

Unlimited coffee

All the ways to enjoy coffee in a single machine

There are as many ways to enjoy coffee as there are ways to prepare it. Choose from coffee beans, ground coffee, or your favourite capsule* and prepare coffees or recipes with milk at the touch of a button.

BUILT-IN COFFEE GRINDER

From bean to cup

Uniform, customised grind for each variety of beans with 15 grinding levels.

MILK CONTAINER

Delicious cappuccinos

Its removable 350 ml milk container allows you to prepare coffee with milk at the touch of a button.

MULTI-CAPSULES

Taste the freedom

With FreeStyle Grind&Late, you can choose between coffee beans, ground coffee or Dolce Gusto, Nespresso and K-fee capsules.

A large, abstract teal graphic on the left side of the page, consisting of several overlapping, rounded shapes that create a sense of depth and movement. The colors range from a light teal to a dark, almost black teal.
