## Ice Cream Makers

### Instant homemade ice creams

Discover the pleasure of creating your own ice cream with Gelatec. Transform fresh and healthy ingredients into customised delights that adapt to your tastes and needs. From lactose-free and sugar-free options to protein ice cream and plant-based milk varieties, you choose the ingredients and Gelatec does the rest.

#### EASYMIX

### Perfect ice cream in three steps

Prepare the mix, freeze and blend. In just three steps, you'll have the ice cream you desire. With Gelatec, making ice cream is as easy as 1, 2, 3. Prepare your mixture, freeze and blend. In just a few minutes, you'll have a perfect ice cream ready to enjoy.

#### CREAMON

### Irresistible creaminess

The advanced blades with CreamOn technology ensure a creamy texture in every bite. Want more? The Re-spin function adds air to your ice cream, achieving an ultra-creamy consistency that will delight everyone.

#### CHUNKY

### Texture that amazes

Add your favorite mix-ins for a unique sensory experience. From chocolate chunks to fruits, every spoonful will be a delicious surprise.

## Limitless ice cream

### PROGRAMMES

## Recipes to your taste

Ice cream, sorbet, light ice cream, gelato, frozen yoghurt and shaved ice with as many combinations and options as you can imagine.

## Slushie Makers

### Slush bliss

Make homemade slushies with ease and quench your thirst with every refreshing sip of your favorite frozen drinks. Experience the joy of hassle-free homemade slushies. Quench your thirst with every refreshing sip of your favorite frozen drinks, always within reach.

### From juice to slush

Achieve the perfect slush without stirring or pre-cooling the drink thanks to its compressor. Easier, faster, more enjoyment.

20 MINUTES<sup>1</sup>

UP TO 2.6 L

TOUCH PANEL

## Refreshing days. Special nights

### 6 MODES

## Slushies for everyone

Choose between wine, beer, slush, mixed drinks or frappé and enjoy irresistible frozen drinks. And don't worry about cleaning, just select the cleaning mode and forget about complications.

### DIY

## Custom textures

From fine textures to thicker drinks, you decide whether to enjoy delicious sips or flavourful spoonfuls.

### ANTI-DRIP

## Drip-free serving

Its ergonomic handle and anti-drip spout allow you to serve one slush after another without spills, so you can enjoy without worrying about cleaning up.

# Twist&Ice 2600

2.6 L slush machine with touch control, 6 modes, adaptive cooling and ergonomic design with non-drip spout.

## FEATURES:

Instant frozen drinks. Transforms various beverages into refreshing frozen drinks.  
Prepares up to 2.6 L. Large capacity: 1.9 L maximum ingredient capacity, perfect for batch drink preparation.  
Drinks ready in 15-60 minutes. Built-in compressor cooling system which eliminates the pre-cooling process, allowing drinks to be ready without long waits (depending on ingredients, volume, initial temperature and sugar content).  
Easy and intuitive control. Easy-to-use touch control panel for hassle-free enjoyment of your drinks.  
6 modes: wine, beer, slush, mixed drinks, frappé and cleaning. Simply add your beverage, choose the perfect programme and enjoy perfectly chilled drinks.  
Custom consistency. Percentage-based thickness settings to prepare each drink exactly to your taste.  
Monitor the process. Status indicator that shows the current stage of preparation.  
Avoid risks. Child lock to avoid accidental operations from modifying the preparation process.  
Create drinks your way. DIY recipes to create homemade slushies with different flavours.  
Comfortable and clean maintenance. Ergonomic handle and drip-free nozzle to prevent unwanted spills.
